Miss Louisa Ackerly,
Cuba, N. Y.

My dear Louisa:

I am truly sorry to hear of your difficulty and think you have been treated unfairly. It is not unlikely that I will hear of an opportunity before long and I will certainly let you know about it.

Beatrice has gone to the camp at Mt. Pocono because the California job has not yet matured. She will be there until September 2, when we hope the other arrangements will be satisfactory.

Sincerely yours,

CFB*AP

Director.
