It's Hunting Season! Be careful!

For your safety, we would like to notify you of this year's date range for big game hunting season in Western New York. The first season began Saturday, November 19th this year (sunrise to sunset), and the final season is over on Sunday, Dec. 11.

Please be very careful if you decide to walk in any wooded area during this time. If you do, wear blaze orange or some other very bright color. If you see a POSTED sign, get the landowner's permission to enter or you could be fined for trespassing.

Hunting is not allowed on Alfred University property which includes the woods behind the campus and around Foster Lake.

Every January in Washington, DC, thousands gather to recognize the need to protect life. While the March for Life has become widely publicized as only for those who wish to end abortion, protecting life comes in many forms including respect for the environment, ending physician-assisted suicide, care for the elderly, etc.

If you're interested in attending this year's March for Life (Jan. 26-28), please sign up on our "Event Registration" page!

Space is extremely limited, and the deadline to sign up is Sunday, Dec. 4.

Looking for just the right Holiday gift?

Water for Haiti AU still has tee shirts, water bottles, and now coloring books (thanks to the AU Print Club) and they would make stylish, useful and fun holiday gifts! We will be selling these items outside the Bergren Forum on Thursday, at the Dance Show on Friday, at the Talent Show on Friday and at the Symphonic Band concert next weekend! Tee shirts and water bottles are also for sale at the AU bookstore. Or email fhluchy@alfred.edu to purchase any of these items. Gift a great gift and help support a great cause. We are getting closer to our fund raising goal, but still have a little ways to go. Wouldn't it be great if we met our goal by the end of the semester?
