

Alfred University gearing up for another busy (and fun) summer

4/27/18

ALFRED, NY – Each summer the Alfred University campus comes alive with students and visitors from around the country and internationally who join us to experience the many exciting programs the University has to offer.

From summer high school institutes and sports camps (both residential and day) to our summer ceramic workshops and the MostArts Festival, our campus is the hub for summer fun. We also offer several Summer Term courses that can be taken here in person or online.
