To the Alfred Community:

The Procurement Office has been notified that the SCAM market is once again calling individuals on campus for their printer information. The recent individual when asked to hold to be transferred to the Procurement Office hung up.

If you receive a call from an individual requesting any information regarding your office equipment, i.e. printers, copiers, etc. transfer the call immediately to me at ext. 2260 or Donna Sturdevant at ext. 2483.
