Tragedy at Virginia Tech

Dear Students,

As you may know, over 30 people including students have been killed by a gunman on the Virginia Tech campus. If you are personally affected by this tragedy, please contact the Counseling Center at 607.871.2300 to talk to a counselor.

If you wish to write a note of support or send a card to the students at Virginia Tech, I will collect them in the Student Affairs office (please use intercampus mail) and send everything to their VP for Student Affairs at the end of the week.

Thank you,
Kathy Woughter, VP Student Affairs

Staff & faculty sought to help with Hot Dog Day

Haven't you always wanted to experience the magic behind Hot Dog Day? We can use help in many areas and these opportunities will allow you to interact with students in a new way and experience Hot Dog Day from a new perspective.

1) SEE THE DOGS BEFORE THE BUNS!

Tricia Debertolis is currently recruiting faculty and staff to work a Hot Dog grilling station. You can grill, sell, or bun (verb - bun: to put the hot dog in the bun) with familiar colleagues or meet new colleagues that you've never seen before! Sign up for an hour shift by e-mailing Tricia at debertpa@alfred.edu.

2) BECOME A ROADIE FOR A BIG CONCERT!

Dan Napolitano is seeking some extra hands for the "tech crew" for the big Saturday night concert. They'll be setting up a huge stage complete with sound system beginning from 7 a.m. until noon (Saturday morning) and then taking it down from 10:30 p.m. until approximately 2 a.m. (into Sunday morning).

Volunteers for either shift will receive an awesome baseball jersey shirt and free admission into the concert. You can pretend you're a roadie and you've been on the road for months (call your family and tell them how much you miss them, too). You'll also be working alongside students and seeing the true backstage experience. Contact Dan at napolitano@alfred.edu if you want in.

Hot Dog Day is a huge community-builder and fundraiser. We can't do it without your help!

Students still interested in joining us should also e-mail either Dan or Tricia.

Math Club Birthday Celebration

April 18, 2007, Myers Hall, Room 228, 12:15-1:10 p.m..

Celebrate the 300th anniversary of Leonhard Euler's birth. Members of the AU mathematics faculty will honor Euler's life and work. [It's the least they can do since Euler has made their own life and work much easier...] According to William Dunham, author of *Euler, Master of Us All*:

"Without question, Leonhard Euler (1707-1783) ranks among history's greatest mathematicians. Across six decades of unmatched productivity, and despite a visual impairment that grew ever worse, he charted the course of mathematics throughout the eighteenth century and beyond. His reputation is captured in Laplace's famous admonition,

'Read Euler, read Euler. He is the master of us all.'"

Pizza, drinks and birthday cake will be served.
All are welcome.

Summer employment process

Please notify HR of the summer positions available in your department; an e-mail listing is fine.

HR will post all open summer jobs electronically and in Greene Hall. When you are ready to review applications please contact HR. Once you have interviewed and made your selection, complete the Student/Summer Payroll Authorization form (link below) and return to HR.

Whenever possible, supervisors are encouraged to give priority to Alfred University students, as well as children of AU staff. AU employees may not supervise their own immediate family members.

Any summer employees who have not worked for the University previously, MUST report to Human Resources to complete necessary paperwork BEFORE beginning employment.

Summer wage will be \$7.15/hour. Each department must stay within budget allocations, which your signature on the hiring form certifies that you have funding available. Please remember that the FOAP to be used is not a student number; summer hires are temporary employees.

Laws covering employees under 18 years of age restrict work assignments and hours, and require that such employees have a valid work permit for employment eligibility. Human Resources must be contacted before workers in this age group are hired.

Hot Dog Day weekend

This upcoming weekend marks Alfred's 36th annual Hot Dog Day celebration. It is a fun weekend when students, faculty and staff from both campuses join the local community in raising money for charities and enjoying a great street festival, parade and outdoor concert this year.

In addition, it is Alfred University's Spring Family Weekend and the weekend of Honors Convocation.

Last year we raised almost \$8,000 for local charities, and this year the student committee chose the following charities: Alfred Fire Department, Alfred Station Fire Department, the Montessori School, SPCA serving Allegany County, Arc of Allegany County, the Box of Books and the Compeer Program.

I wanted to give you some notice that the Alfred Police Department supplemented by Public Safety, neighboring police departments, the County Sheriff's Office, and the State Police will be rigorously enforcing all local and state laws including the Village Open Container Law, the state's legal drinking age and the prohibition of disorderly conduct. DWI patrols will be out on Friday and Saturday night. Please be aware that you are responsible for the conduct of any of your visitors to campus.

Hot Dog Day is a great Alfred tradition. Enjoy the weekend in a manner that will not jeopardize your safety, the future of the event or your academic career. I look forward to seeing you at the festivities - Just Dog It!
