Upcoming Spring Registration: Run a Degree Evaluation

Be sure to run a degree evaluation to check your progress towards earning your degree.

~Run one before you register to see what courses you need.

~Run one after you get registered to be sure the courses are being used/applied toward your degree.

If they don't you could have financial aid issues.

~Be sure to work with your advisor.

~Consider Allen Term and Summer courses if you need to make up courses in order to graduate on time.

Follow the url link to our How to Videos and/or work instructions.

Paid Family Leave Training

This is the third training in a 9 month series targeted at any AU employee who has supervisory roles in their department. This training can also be especially helpful for any staff who support the supervisors in their department.

This training will encompass: overview of the new Paid Family Leave laws that went into effect on 1/1/18, timeline and benefits, eligibility, FAQ's, and how FMLA and PFL are different

This is also open to any AU employee who would like to know more about the new changes that are in place.

This training will be held on November 4, 2019 from 11:15am-12:00pm and on November 26, 2019 from 11:15am-12:00pm both located in the Kenyon/Allen Room in the PCC. This is the same training both days.

Bergren Forum - Daniel Katz

The Bergren Forum sponsored by the Division of Human Studies, College of Liberal Arts and Sciences and the Provost's Office will be meeting at 12:10 pm on Thursdays in the Nevins Theater, Powell Campus Center

Bring a brown bag lunch, coffee and tee will be provided.

Speaker: Daniel Katz

Topic: "Powerful Art: Building a Radical Labor Movement Through Ethnic-Racial Cultures"

When: Thursday, November 7

This talk will explore how the International Ladies' Garment Workers' Union (ILGWU) successfully integrated thousands of black and Spanish-speaking workers into a militant, socialist-led movement by appealing to the language, poetry, music, dance, and theater of dozens of ethnic and racial groups of workers that made up the American garment industry workforce of the 1930s.

First Gen day this Friday.

First gen: a trailblazer; a person who is among the first generation in their family to attend and graduate from college.

Alfred University will be a part of First Gen Day on Friday, November 8. Join us in the Institute for Cultural Unity between 12:00 pm and 3:00 pm to leave your mark as a first generation college student and supporter. Light refreshments and free swag will be available!

There's something special about being first. The first in flight, first man on the moon, the first African-American president. First kisses, first impressions, first place. Being among the first in your family to attend and graduate from college is special too.

Crumbshot

"Crumbshot" is an exploration of the over-packed space of our minds, and of the studio landscape, both packed full to the brim. Combining a closely packed grid of pedestals with recorded sound, a confusing and perhaps claustrophobic experience will challenge how the viewer traditionally navigates the space and perceives the work displayed. Tightly grouped pedestals will be populated by found objects, fragments, broken or unrealized pieces, and ideas still germinating, all sourced from the nooks and crannies of Harder Hall. Each object will be positioned to be viewed as both finished thoughts and fragments of ideas, without the pressure to cement itself as anything more or less. "Crumbshot" will be the second installment of Dog Park's pop-up installation; in short, it will be a systematized sweeping up of all the burnt crumbs rattling around in Harder Hall's toaster coils. [Sponsored by a Fenced in Dog Area]

"Crumbshot" will take place on Thursday, November 21 from 6:00 pm - 9:00 pm in the Harder Hall courtyard pedestal room (in the Graffiti Wall).

Artist in Residence: Evan Bobrow

Date: November 11- 15, 2019
Location: The Institute for Electronic Arts
Sponsored by: The Institute for Electronic Arts / NYSCA / Schein-Joseph Endowment

Evan Bobrow grew up in Rochester, NY. He holds a BA in Architecture with dual minors in Design and Computer Science from Washington University in St. Louis. The primary focus in his work is the intersection between quantitative study and emotional experience. Drawing from technical aesthetics, including user manuals, city plans, and blueprints, Bobrow uses these sources to legitimize the subject matter, or to explore a concept more deeply through technical practices. His recent exhibitions include, Year End Show, Washington University in St. Louis, Hedge, Contemporary Art Museum of St. Louis, Spectroplexus, Lambert International Airport and Transcription Beta and Digital Evolutions at Washington University in St. Louis. He recently was artist in residence at Main Street Arts, Clifton Springs, NY.

The Institute for Electronic Art's Experimental Projects Residency is supported by the New York State Council on the Arts with the support of Governor Andrew M. Cuomo and the New York State Legislature and the Schein-Joseph Endowment.
