### Visiting Artist Lecture: Paul Scott

Wednesday, November 9th

4:30 - 6:00 pm

BMH 106 (Room C)

Free

Sponsored by: School of Art & Design

Paul Scott is an artist, gardener, author and educator known for characteristic contemporary transferwares. His artworks can be found in many collections and public spaces around the globe, including V&A London, National Museums of Norway, Scotland, Sweden, Wales, The Museum of Art and

Design in New York, Newark, Carnegie, Chip stone and other Art Museums in the USA.

He was awarded a PhD from Manchester Metropolitan University in 2011, and is currently Professor 2 at the Oslo National Academy of the Arts (KHIO), Norway. His latest book, Horizon, Transferware and Contemporary Ceramics, was published by Arnoldsche Art Publishers in January 2015. In September 2015 he received an Alturas Foundation Artists Award for his research project New American Scenery.

I create artwork that blurs the boundaries between fine art, craft, and design. Using altered antique wares, digital tools, decals, collage, storytelling and remediation, I re-animate traditional blue and white transferware for the twenty-first century. My work tells stories that explore the unexpected movement of images through materials, media, cultures, politics, histories, and geographies.

## AU Photo Library Online - Gallery Server Pro

AU has a new searchable photo library, Gallery Server Pro (<http://gsp.alfred.edu>), accessible to AU faculty/staff. This library contains a wide variety of downloadable AU images ranging from seasonal campus scenics, to classrooms/labs, to selected campus events. To access, please go to [our.alfred.edu](http://our.alfred.edu) and scroll down the left-hand side to Faculty/Staff. Click on Faculty/Staff and scroll down to Gallery Server Pro.

Gallery Server images are cataloged by semester, by month and by topic, and as new photo assignments are completed, additional images will be cataloged and posted on a regular basis. The photos are extensively tagged to assist in searches for specific subjects.

NOTE: The images have been carefully selected from more extensive photo sessions that include alternative views and formats (landscape vs portrait). Those images are archived separately and you will need to contact Rick McLay, director of Creative Services at 2736 ([mclay@alfred.edu](mailto:mclay@alfred.edu)) to inquire about those additional images. There is also a separate folder dedicated to faculty/staff portraits, many of which were completed the week of Aug. 17, 2015.

### BEFORE YOU DOWNLOAD

The primary use of many of these images is for Admissions and University Relations marketing efforts in both printed and web formats. In order to keep track of downloads (except for faculty/staff portraits), please contact Rick McLay ([mclay@alfred.edu](mailto:mclay@alfred.edu)) or Judy Linza ([linza@alfred.edu](mailto:linza@alfred.edu)) with information on which images you are downloading, and where they are going to be used.

### TO DOWNLOAD

Access to Gallery Server requires AU username/password to review images and to download in three formats: 1. Thumbnail (small image), 2. Web optimized (low resolution but full size), and 3. Original (high resolution). To download the image of your choice, use the download/share icon, which is the one on the left in the icon grouping above each image, and follow the directions.

#### ADDING PHOTOS TO THE AU PHOTO LIBRARY

We welcome the opportunity to obtain images from faculty and staff. Though much effort goes into documenting as many things as possible on campus, it is impossible to cover it all. When there are events such as art shows, or special lab/classroom activities that faculty/staff are photographing, we would very much like to review those images so that the library is as comprehensive as possible. Please contact Rick McLay if you have images that you think should be considered for this.

#### ATHLETICS PHOTOS

Current images of athletics events are available at (<http://gosaxons.com>). By contractual arrangement with the professional photographer, there will be a charge for athletics images. Mark Whitehouse, AU's Sports Information director ([whitehouse.alfred.edu](mailto:whitehouse.alfred.edu)), is the contact regarding usage.

If you have any questions or suggestions for photos you want cataloged and included, please contact Rick McLay at [mclay@alfred.edu](mailto:mclay@alfred.edu) or Ext. 2736. If a student requests access, please contact Rick McLay.
