**New email and login features for students!**

In the Spring 2019 semester, ITS is implementing upgrades to add additional security and convenience to our email and login system.

Like all colleges and Universities, Alfred University has encountered a large increase in sophisticated email phishing scams. Starting in January, ITS will begin implementing multifactor authentication for all students. This additional security layer will help prevent student accounts from being exploited if they are accidentally tricked into providing usernames and passwords to off-campus scammers. After a brief registration process (and potentially a brief mobile phone installation), students may occasionally receive a prompt to verify their email login. These few additional steps will provide a much needed shield against phishing scammers. If you have questions, you can contact the ITS Helpdesk.

And...Have you ever forgotten your email password? And you couldn't call the ITS Helpdesk to reset your password because it was after business hours? Starting Spring semester, all Alfred University campus community members will have the ability to reset their password without having to contact the ITS Helpdesk. In order to use this procedure, users will need to opt in and provide a phone number or an alternate email address.

### **Family Medical Leave Act Training**

This is the fifth training in a 9 month series targeted at any AU employee who has supervisory roles in their department. This training can also be especially helpful for any staff who support the supervisors in their department.

This training will encompass: who is eligible for FMLA leave, how long is the leave, intermittent/reduced leave, how employees request FMLA leave, and how employees return to work after leave

Supervisors who may be new in their rolls or need a refresher are encouraged to come. This is also open to any AU employee who would like more knowledge on this topic.

This training will be held on January 8, 2019 from 11:15 am - 12:00 pm and on January 23, 2019 from 11:15 am - 12:00 pm both located in the Kenyon/Allen Room in the PCC. This is the same training both days.
