ALFRED -- Two members of the Alfred University men's indoor track and field team earned First Team All-Empire 8 Conference honors, the Empire 8 announced today. Junior Stephen Robin (Foster, RI/Ponaganset) was an all-conference First Team selection in the pole vault and junior Ryan Bank (St. Johnsbury, VT/St. Johnsbury) was a First Team selection in the 3,000-meter run. The distance medley relay team of junior Andy Crawford (Canandaigua/Canandaigua), sophomore Richard Coyne (Scarborough, ME/Scarborough), freshman Travis Swan (Binghamton/Binghamton) and senior Logan Quist-Chaffee (Allegany/Allegany-Limestone) earned Second Team All-Empire 8 honors. All-Empire 8 Conference honors were determined by using the results posted by Empire 8 schools at last weekend's New York State Collegiate Track Conference (NYSCTC) championship meet Feb. 27 and 28 at St. Lawrence University. Robin won a state title in the pole vault at the NYSCTC meet. AU placed third in the Empire 8 championship standings, behind Ithaca and RIT and ahead of Hartwick and Nazareth.
