Intersivity Christian Fellowship Weekend Events

Intersivity hosts a large group Bible study every Friday night at 7:30 p.m. in the Kenyon Allen Room located in Powell Campus Center.

Student Chapel is held every Sunday at 11:00 a.m. in Susan Howell Hall. The service includes student-

led worship and a variety of speakers from around the area.

We hope you can join us!

ITS and Procurement Services We are here to help!

A friendly reminder...

Per Alfred University Policy, all computer and printer purchases must be approved by ITS. A link to the specific policy is listed below.

To guarantee that you have the best technology possible at your fingertips, we have a Technology Refresh Program available for both desktop and laptop computers (Mac and PC). If you sign up for the Technology Refresh Program, your computer will be replaced every three years with the latest technology. This also helps the University by making sure that out-of-date computers are removed from service.

We require the involvement of the ITS Team on the selection and purchase of this equipment for several reasons:

1. In today's world there is a constant stream of new threats out there trying to impact computer networks. By making sure that only approved devices are linked to our network, we are protecting the University as well as our students, faculty and staff.
2. The ITS team is here to help you with your devices. If you purchase something that is not approved for use, we may not be able to assist if you have problems.
3. By working with ITS, you have access to our extensive knowledge and business contacts that will ensure you are receiving the best price on equipment that will properly fit your specific needs.
4. We have purchasing contracts with Dell and Apple. By purchasing computers through ITS and procurement, we are ensuring that you get the best possible price on approved solutions. In addition, you are adding to the University's buying power when it comes time to re-negotiate contracts.

Please work with Procurement and ITS ensure that you are getting the absolute best possible product at the absolute best possible price to meet all of your IT needs!

Register now: Celebrate Service, Celebrate Allegany Day of Service, 9/28!

Saturday, September 28 is National Good Neighbor Day - and Alfred University's fall day of service, Celebrate Service, Celebrate Allegany! We'll give back to Alfred and surrounding communities by volunteering: current projects include playground maintenance and painting the fire hall.

This event is FREE, and the Gary Horowitz Service Learning Program supplies each volunteer with a t-shirt, boxed lunch, and transportation (if necessary). The GHSLP also provides coffee and donuts at check-in, which starts at 9:00 am on Saturday, September 28. Service projects will start between 9:30 am and 10:00 am, and all volunteers should be back on campus by 1:00 pm.

To participate, sign up by Friday, September 20. Email Corey Fecteau at fecteau@alfred.edu to register as an individual volunteer, or with a club, class, team, or other group. If you sign up together, you can serve together. Let Corey know if you have any questions! #alfredserves

Electronic Personnel Action Forms (EPAF) Training

Do you hire Non-Work Study hourly student workers in your department? If the answer is yes, then I

am inviting you to attend training to learn how to use a new electronic form for hiring. This form is only currently being used for Non-Work Study students at this time. In the future we hope to expand to Work Study.

Human Resources is excited to announce that we have been piloting a new electronic form for submission of jobs. This form is called an EPAF (electronic personnel action form) this electronic form will eliminate the current paper form and make things easier and quicker for all involved.

Training Date:

9/13/19- 9:00am-10:00am-HR Conference Room- Greene Hall

For the Fall 2019 Semester, for any non-work study hourly student that is hired, we will only be accepting the EPAF form, not the paper form.

Amy Lemaire- Visiting Artist Lecture and Demonstration

Date: Monday, September 16 and Tuesday, September 18

Time: Lecture Monday September 16 from 5:00 pm - 6:00 pm;

Demos Monday, September 16 and Tuesday, September 17 from 8:30 am - 11:00am;

Location: Lecture: Nevins Theater;

Demos: Hot Glass Studios

Cost: Free!

Sponsored by: Sculpture/Dimensional Studies

Amy Lemaire is a multi-disciplinary artist and educator based in Brooklyn, NY. An explorer at heart, her work reveals an interest in currency systems, material language poetics and the production of histories. Lemaire studied at the School of the Art Institute of Chicago (BFA) and Pratt Institute (MFA). She has taught at Pilchuck Glass School, WA, Penland School and Crafts, NC and UrbanGlass, NY. She is currently Director of the Bead Project, a creative entrepreneurship program for women in New York City. Lemaire has participated in residencies at the Mu-seum of Arts and Design, the Creative Glass Center of America and in 2015, she received a Visionary Scholarship from the Art Alliance for Contemporary Glass.

Free Meal Prep Workshop at The Rogue Carrot

Meal planning is a fantastic tool for successfully integrating and maintaining a healthy lifestyle. So, why do so few people do it? The ideal meal prep routine varies based on your lifestyle, budget, experience, and skill set. One method does not fit all! Within this workshop, Maria Adam, NPT, will equip you with the essentials of meal prep that fits your style!
