## Artist In Residence Paloma Barhaugh-Bordas.

Date of Event: July 8 - 12, 2019  
Location: The Institute for Electronic Arts  
Cost: Free  
Sponsored by: The Institute for Electronic Arts / NYSCA

Paloma Barhaugh-Bordas is an artist living and working in Upstate New York. Originally from Denver, Colorado, she received a BA in liberal arts from Carleton College in Northfield, MN, and an MFA in Printmaking at Rhode Island School of Design in Providence, RI. Paloma's work adapts and appropriates the vernacular of the many regions she's called home and traces the self-conscious search for cultural roots as a first-generation American.

The Institute for Electronic Art's Experimental Projects Residency is made possible by the New York State Council on the Arts with the support of Governor Andrew M. Cuomo and the New York State Legislature.
