Calling hours, funeral for NYS Trooper Nicholas Clark '11 set

Nicholas Clark '11 was killed in the line of duty as a New York State trooper in the early morning hours of Monday, July 2, as he and other police officers responded to a report of a possible suicidal suspect. The suspect fired at the officers, hitting and fatally wounding Trooper Clark.

Trooper Clark's family, his fellow police officers, Alfred University alumni and friends, as well as members of our community, will bid farewell to him this weekend on the Alfred University campus.

Calling hours will be 1:00-6:00 p.m. on Saturday, July 7, in the McLane Center's Galanis Family Arena. Funeral services will be held at 11:00 a.m. on Sunday, July 8, in the same location, with overflow seating available in the adjoining Joyce-Walton Center.

Nick died a hero, serving and protecting the people of New York State. Governor Andrew Cuomo, at a press conference Monday afternoon, called him an "exemplary" police officer. All who knew Nick as an outstanding athlete, student, and community member understood that he would never be anything but exemplary in his chosen career.

We are honored that Nick's family-his mother, Theresa Gunn '96, '98 MBA, a professor of accounting in our College of Business; his father, Anthony Clark; and his brother, Nathan Clark-and the New York State Police Benevolent Association chose Alfred University as the site for Nick's funeral service. Please join me by keeping Nick's family in your thoughts and prayers as they and we deal with his tragic loss and find appropriate ways to best recognize his exceptional character, accomplishments, contributions to our community, and memory.

An exhibition of sculpture and drawings by Cristina Cordova. Cristina's figurative work has established her as one of the preeminent ceramic artists of her generation. Her work renders the figure as a mysterious, sensual force of compelling urgency. Her masterful use of the ceramic medium empowers her work with a mesmerizing, at times uncanny presence.

In collaboration with the Institute of Electronic Media, School of Art and Design, Alfred University, has resulted in the magnificent exhibition Mysteries of Place: The Cahaba River Project, prints by Elisabeth Pellathy, Lee Somers and Scott Stephens. This collaboration lies at the core of the Museum's exhibition policy, which acknowledges works in all media.
