HR/Payroll Department Appointments

Due to COVID-19, the HR/Payroll department can only see people by appointment. If you need an appointment, please contact the HR/Payroll individual that best suits your needs or if you are not sure, contact Kayleigh Jones at 607-871-2276. Most appointments will be virtual, unless HR determines physical presence is necessary.

Faculty Enrollment In MFA (October 13th, 14th and 15th)

In Spring semester 2019, ITS enrolled all students in email Multifactor Authentication (MFA)...and followed up by enrolling all non-faculty employees in MFA in Fall semester 2019.

On October 13th, 14th and 15th, we will enroll all Alfred University faculty in email Multifactor Authentication. Look for an email from the Helpdesk coming soon.

Multifactor Authentication (MFA) is a significant deterrent to unauthorized email access...even when the password has been compromised. MFA is often described as "Something you know, and something you own." The something you know is the password portion ...and in our particular case, something you own will be a mobile device.

During the enrollment process in mid-October, faculty will be redirected to a Web page that will require them to register a mobile number where they can receive a call, text or notification to a phone based authenticator application (perhaps the easiest method of MFA). The enrollment process will take only a few minutes and will require that the employee have their mobile phones available on the day of enrollment. After they have registered that phone, they will be sent a call, text message or authenticator application notification whenever they login from off-campus. If an employee is on-campus, there will be no need for an additional authentication (other than the password).

The entire process is similar to the way banks secure login attempts to online financial sites. If you would like to complete the process before the mid-October dates, please feel free to pre-enroll at: <https://my.alfred.edu/inf...>

If you have any questions, please feel free to contact the ITS Helpdesk at 871-2222 or helpdesk@alfred.edu.

Open Enrollment Virtual Meetings

Open Enrollment is the yearly period when employees enroll in any of AU's insurance plan(s), make changes to their current health insurance, life and accident coverages and Short -Term Disability enrollments, or to drop coverages if no longer needed. Once the Open Enrollment period has closed your ability to make changes is limited to "Life Events" until the next open enrollment period.

Human Resources is pleased to announce there will be no plan changes. And that there will be no cost increases and a 3% cost decrease for Dental Coverage for the 2021 Plan year.

Open Enrollment sessions will be presented by Relph Benefit Advisors, all sessions will be virtual, please see the link below:

- Tuesday, October 13- 9:15am-10:00am
- Wednesday, October 14- 12:45pm-1:30pm
- Friday, October 16- 3:15pm-4:00pm

Join by Phone: 646-558-8656

Meeting URL: <https://aleragroup.zoom.u...>

Meeting ID: 585 703 9445

Spouses that are covered by AU insurance plans are welcome to attend these sessions as well.

The open enrollment window will open on October 26, 2020 and close on November 6, 2020. All AU and NYSCC employees should visit their PlanSource portal during this time to add/drop benefits. If you do not wish to change any benefits, all current benefits that were elected for the 2020 plan year will roll over, with the exception of the Medical and Dependent Care Flexible Spending accounts. Flexible spending accounts must be re-elected yearly. Employees will receive a separate email closer to the portal opening, with Log-On Instructions.

Please note that all changes made during the Open Enrollment window will be effective for 1/1/2021.

NYSCC employees, NYSHIP has not announced open enrollment dates, they will announce by the end of the year and you will receive a separate email from Kayleigh Jones regarding any changes for your Medical and Dental insurance coverages.

2021-22 Tuition Exchange Application Deadline is October 26, 2020

Faculty and Staff - the Tuition Exchange Export Application deadline is October 26, 2020. If your child is planning to begin college (or transfer to another college) next year, 2021-22, you may wish to explore the schools participating in the Tuition Exchange (TE) Program. RENEWAL TE Export applications are also subject to the deadline of October 26, 2020.

Please read the attached TE Information Memo for application procedures and details on the program. Two application forms are required; specifically, the AU TE Export Application and the AU Human Resource (HR) TR/TE form (links and attachments, herewith).

Student Affairs Job Opportunities

Are you looking for work on campus?

Are you willing to help your fellow students?

Student Affairs is looking for student(s) who are eligible for work-study and interested in helping other students. We are looking for students who would be willing to deliver meals, packages and assist with laundry of students in isolation or quarantine. While, there will be no direct contact with students in isolation or quarantine, student workers would receive training and be given all necessary safety equipment. Student workers would be paid more than minimum rate. If interested, please contact Dr. Tamara Kenney, Dean of Student Wellbeing at kenney@alfred.edu.

Zoom Chat with Virologist- Dr. David Baltimore

Faculty & Students, please join us this Tuesday, Oct. 13th from 5:00-6:00 for a Zoom Chat (Meeting ID to Join: 923 7876 2984) with esteemed virologist Dr. David Baltimore. This meeting is being hosted by Alfred State College's Physical and Life Sciences Department.

David Baltimore is an accomplished researcher, educator, administrator, and public advocate for science and engineering and is considered one of the world's most influential biologists. After serving as President of the California Institute of Technology for nine years, Baltimore was appointed President Emeritus and the Robert Andrews Millikan Professor of Biology in 2006. Awarded the Nobel Prize at the age of 37 for research in virology, Baltimore has profoundly influenced national science policy on such

issues as recombinant DNA research and the AIDS epidemic.
