

Fiat Lux Captures Two Awards in College Newspaper Contest

5/18/98

Alfred, N.Y.--The Fiat Lux, AU's student newspaper, garnered two awards in the 1997 New York Press Association Better College Newspaper Contest. The bi-weekly paper captured third place in the general excellence category. "The award is based on the overall quality of the paper, including writing, design, photography, and advertising," said Robyn Goodman, a member of the communications faculty and Fiat Lux advisor. The Fiat Lux also took third place in the photography category; Cara Stein was cited for her photo taken at the Mud Olympics, one of the highlights of Hot Dog Day. According to Goodman, 26 colleges and universities from across the state took part in the contest.
