WEDNESDAY

### Zoom Update

Zoom has recently released an update to their client that addresses some performance, security and usability issues. You can see all the changes in the new version here <https://support.zoom.us/h...> The most important change is that as of today, Zoom will not work with the older client. The client should have prompted you to upgrade, but we have been notified that that does not work in all cases for a variety of reasons. If the client gives you an error message during the upgrade, or while trying to join a meeting, please uninstall the client that you currently have, and install the latest version from their Downloads Center here <https://zoom.us/download>.

Please contact the help desk at 607-871-2222 or [helpdesk@alfred.edu](mailto:helpdesk@alfred.edu) if you have any further issues.

### TIAA Consultant & Virtual Counseling Sessions

A TIAA consultant will be conducting virtual retirement counseling sessions on Tuesday, June 16, Tuesday, June 30, Thursday, July 9, and Friday, July 24. No matter where you are in life - just getting started or planning for retirement - a session can help you create a plan for your goals; and it is at no additional cost as a part of your retirement plan. To register for one of the sessions, employees should call TIAA at 1.800.732.8353 and remain on the line for assistance; or register at [www.TIAA.org/schedulenow](http://www.TIAA.org/schedulenow).
