New VPN Service and Remote Desktop Changes

New VPN Service

ITS has a new VPN service, FortiClient, available now that has replaced the SonicWALL VPN. We are happy to say there are now both Mac and Windows versions available, as well as mobile clients in both the Android Play Store and the Apple Store. More information can be found [here](#).

If you have any questions, comments or other feedback, feel free to contact the [ITS Helpdesk](#), x2222.

Remote Desktop Changes and Enhanced Information Security

To improve network security, ITS will be implementing some changes to the way that users connect to their workstations over Remote Desktop. Starting August 14th, users will need to first connect to Alfred University's FortiClient VPN service before they will be able to connect to Remote Desktop. Once the VPN is connected, Remote Desktop connections will work exactly as it did prior to the changes. This easy and quick additional step will significantly improve network security from outside threats.

If you have not yet installed the new FortiClient VPN client, both a Windows and a Mac version are available [here](#). More information on Remote Desktop can be found [here](#).

Please contact the [ITS Helpdesk](#), x2222, for any required assistance.

Soulful Sit-downs with a Side of Ice Cream

Soulful Sit-downs are meaningful student-run conversations centered on topics ranging from authenticity and mindfulness, to love and fear.

This is NOT group therapy or a formal lecture! The purpose is to facilitate in depth, nonjudgmental connections with peers while exploring different topics.

Next week we are forgoing the healthy snacks typically provided and having ice cream instead! Come indulge in thought provoking conversation and enjoy a scoop (or two) of ice cream while you do it!

WHEN: Mondays 8:00 p.m. - 9:00 p.m.

WHERE: Herrick Library Seminar Room 106

Questions? Contact facilitators Summer and Savannah Markajani at soulsitdowns@alfred.edu.

Experience German College, Culture, and Cars

Ever wonder what a day in the life of a German college student is like? (College is tuition-free, students are paid by their employer to go to school half the year and work the other half.) How humans and robots can work together? How businesses compete for customer market share globally? What it is like to be inside a medieval city? What makes Munich one of the most popular cities to visit in Europe? How the automobile evolved over the past 100+ years? What would it be like to see two of the most extensive car collections in the world?

All these will be covered in the Allen Term 2018 class on the German Auto Industry. If you are interested, come to an information session at 4:45 p.m., Tuesday, September 12 Olin 310.

Theatre Dept. auditions! EURYDICE. All are welcome - any major/any year

Eurydice, by Sarah Ruhl, is an enchanting retelling of the ancient myth of Orpheus and Eurydice focusing on Eurydice's time in the Underworld after her untimely death and the surprise awaiting her. Lush with dark humor, lyrical beauty and wit, Eurydice transforms this Greek classic into a visceral, contemporary meditation on love worth grieving for. Directed by J. Stephen Crosby.
