Prior to Break, Be Alert

Traditionally, there has seen an increase in thefts the week before Spring Break on the Alfred University campus. Below you will find some tips to help you keep your property safe.

When you are in the library, residence halls, academic buildings, dining halls, or simply parking your car, keep your wallet, cell phone, and laptop with you. This is the prime time for this type of property to be stolen.

- * Buy a laptop security cable and use it.
- * Always close and lock your residence door even if you leave for just a minute. Insist your roommate(s) do the same.
- * Establish rules with your roommate(s) regarding visitors (above and beyond Alfred University guest policies).
- * Make sure your car is locked when unattended.

If you witness any suspicious activity, report it to the Office of Public Safety immediately by calling 607-871-2108 or 911.

FAQ's

How do I join a team to sign up?

AU Intramurals Sports and Recreation invites all AU students, faculty and staff to participate. You are encouraged to create your own teams with friends, classmates and neighbors. If you are unable to connect with a group you may contact the director of IM Sports and Recreation for assistance in joining another team.

Current Varsity/JV Athletes. No more than 2 (on the field at the same time)varsity/junior varsity athletes may participate on IM Sports teams in the sport, or associated sport, in which they competed at the intercollegiate level. An athlete that appeared on an intercollegiate roster at any time during the current academic year is considered a varsity/junior varsity athlete. You may have more than 2 on the roster but only 2 can compete at the same time.

Former Varsity/ JV Athletes. Former varsity/junior varsity athletes may participate on IM Sports teams without restriction provided they have not appeared on varsity/junior varsity rosters at any time during the current academic year.

Washington Semester Program Fall 2012

The Division of Social Sciences is now taking applications for the Washington Semester Program for Fall 2012.

The Washington Semester Program is sponsored by American University and enables students to spend a semester in Washington, D.C., studying public policy in a variety of areas.

Students who have participated in the program have used their experience and contacts to obtain excellent positions in Washington and elsewhere.

In addition to taking coursework, students will meet with government officials and political leaders in seminar sessions and will participate in an internship of their choosing.

In addition to its major focus on American national government, the program also has a number of options utilizing non-governmental resources in the Washington area, including working with interest groups and art and cultural institutions. Some of these are: journalism, law enforcement, public law, economics, international business, international organizations, and women and politics.

Course credits and grades are fully transferable to the student's transcript. Students can obtain additional information on the program at www.washingtonsemester.co... Juniors or seniors are eligible to participate, and scholarships are available. Over the past year, Andrew Dupre and Rudy Dieudonne attended the program.

Those interested should contact Karen Mix in room 208 of the Olin Building. Applications should be completed by Friday, March 23, 2012.
