Have you filed your tax returns yet? If you have a corporation, you need to file your tax return (or extension) today, March 15th! (assuming you have Dec 31 year-end). Sales tax returns are due March 20th, and Individual tax returns are due April 15th! I'm happy to help with any questions you may have. Singing CPA featured in World Wide Rave-- free book download until Tuesday March 17! Would you like a free marketing book? Bestselling author David Meerman Scott has just released a new book "World Wide Rave," which shows readers how to use new internet marketing techniques. I'm included in the book (p.27) for my song "Happy 5th Birthday to Sarbanes Oxley," which I wrote for the successful Approva Corporation campaign. The book is free on Amazon Kindle and the Kindle application on iPhone for the next few days (ending Tuesday). Here is a book description: A World Wide Rave is when people around the world are talking about you, your company, and your products. Whether you're located in San Francisco, Dubai, or Reykjavik, it's when global communities eagerly link to your stuff on the Web. It's when online buzz drives buyers to your virtual doorstep. And it's when tons of fans visit your Web site and your blog because they genuinely want to be there.
