Notice to All Hourly Paid Employees (including Students) and Supervisors

Discontinuation of Paper Time Sheets

Effective Aug. 1, 2013, the Payroll Department will no longer accept paper time sheets from hourly employees (including students). Therefore, all time must be recorded on Banner Web in the prescribed manner.

Employees must submit their time electronically for their supervisor to approve no later than midnight on the Wednesday following the end of a pay period. Occasionally, due to Holidays, an early deadline may be imposed but will always be preceded by an announcement in Alfred Today.

Failure to submit time electronically will result in a delay of payment and will require the supervisor to prepare and personally deliver a paper time record to the payroll department, with the employee's signature certifying the accuracy of the time worked. Paper records will not be accepted from anyone other than the employee's supervisor. Those who habitually fail to record their time using Banner Web will be contacted by the Director of Human Resources.

Alzheimer's Glass and Iron is a multi-step, cross-generational art project that will benefit the Alzheimer's Association. The project consists of four steps: production of artwork by elderly community members, interpretation and rendered sculptures (by iron castors, glass castors and glass blowers) and gallery shows that culminate in an auction of the featured art pieces.

Elderly residents from Western New York who are suffering with Alzheimer and Dementia will use watercolors and iron oxides paints create artworks. In turn, members of the Alzheimer's Glass and Iron project will use glass and iron to create sculptures in response or homage to the painting.

Claydies

Visiting artists: Claydies

Sponsored by: The Dean's Office - School of Art and Design, the Division of Ceramic Art and the Alfred Clay Collective

Workshop: Thursday 3 October through Friday 4 October, 2013

Public lecture: Thursday 3 October

Location: BMH 106/ Room C

Time: 11:15 a.m. - 1:15 p.m.

The Division of Ceramic Art and the Alfred Clay Collective are pleased to welcome Claydies, the design partnership of Karen Kjldgrd-Larsen and Tine Broks. Both Karen and Tine graduated from the Danish Design School in 2000.

"Tine throws a lump of clay and Karen catches it. Karen throws it back to Tine but it falls to the ground. We try with a new lump. This time Tine catches it and starts shaping it. It is a ping pong process, in which we are always hunting good ideas. Sometimes we wear our bowls on a catwalk.

Sometimes we are inspired by horrors and murder our pots. And sometimes we set up dogma-rules and work blindfolded. We strive always to renew ourselves and make ceramic design that matters. That is to have fun and give fun..."
