### Experience German College, Culture, and Cars

Ever wonder what a day in the life of a German college student is like? (College is tuition-free, students are paid by their employer to go to school half the year and work the other half.) How humans and robots can work together? How businesses compete for customer market share globally? What it is like to be inside a medieval city? What makes Munich one of the most popular cities to visit in Europe? How the automobile evolved over the past 100+ years? What would it be like to see two of

the most extensive car collections in the world?

All these will be covered in the Allen Term 2018 class on the German Auto Industry. If you are interested, come to an information session at 4:45 p.m., Tuesday, September 12 Olin 310.

### **Singing in a choir has been proven to lift depression. Join AU Chorus today**

Singing in a choir has been shown to help with depression and anxiety. (If you don't believe me I'd be glad to send you some articles). Help relieve the stress of school by joining the AU Chorus. University Chorus is a 2 credit course satisfying 1/2 of the "Arts" general education requirement. The group meets on Monday evenings from 7:00 p.m. - 8:30 p.m. when students are joined by members of the faculty and community and on Wednesday from 5:20 p.m. - 6:50 p.m. which is just for students. No previous choral/singing experience is necessary. The University Chorus will perform with a Chinese Orchestra (yes, we'll sing in Chinese!) in November and a seasonal concert in December. We will also be working on the "Theresa Mass" by Haydn for performance in March with small orchestra, so a two semester commitment is not required, but preferred. (It also satisfies the whole "Arts" (C) credit. For more information, contact Professor Luanne Crosby [fclarke@alfred.edu](mailto:fclarke@alfred.edu).
