### Befriend an International Student

Hi all,

The AU International Programs Office is once again looking for community friends for international students. We have 54 new students from 16 different countries and 28 of them have signed up for a community friend.

The commitment is not huge. We will match you with an international student and get you together at a reception. You take it from there.

We ask that you commit to inviting the student to dinner at your house once during the semester (or meeting them for dinner out if you're not into cooking). Beyond that, it is up to you and the student how much contact you want to have.

If you are interested, please email Vicky Westacott at [fcobb@alfred.edu](mailto:fcobb@alfred.edu). Let us know if you would be especially interested in befriending someone from a particular country and we will do our best to accommodate you.

If you know any other community members who might be interested, please let them know about the program. Thanks for your help!

Best, Vicky

The show is on Sunday, Sept. 21, at 8 P.M. in the Miller Theater.

Tickets are \$20 with AU student ID and \$25 for everyone else. Get your ticket(s) at the CSI Office on the first floor of the Powell Campus Center or go online to [www.showclix.com](http://www.showclix.com).

## Need to Order Your AU Business Cards?

The process for ordering official Alfred University business cards changed as of February 2014. We are now working with the Alfred State College Document Center, and a virtual storefront has been developed specifically for ordering our business cards online.

The link to that storefront is:

<https://v2.printsys.net/>

Log on: AlfredUniversity

Password: AlfredUniversity1

There are two templates from which to choose: the first template is indicated for only Admissions and Financial Aid offices because they require specific phone number options; and the second template is designed to accommodate all other offices.

When you double click on your selection, a new window will open that contains a form with fields to enter your information. As the fields are filled, the information will show up on the template at the right so you will see how the business card will look upon completion. Once all the information has been entered, you will proceed to a shopping cart that has options for quantity and payment, using your AU One Card.

In order to maintain the brand identity of the University, a PDF of the card will be emailed to the Office of Communications for review/approval. Once the cards are printed, you will be notified so that you can pick them up at the ASC Document Center, 10 Upper College Drive (607.587.3532). ASC does not deliver at this time. The design and specifications of color and paper are based upon the official AU business card format that is currently in use.

**IMPORTANT:** For situations where you do not have access to an AU One Card, or a required deviation from the standard format cannot be included within the two template options, you will need to contact Rick McLay at [mclay@alfred.edu](mailto:mclay@alfred.edu) so that a design can be created and provided to the ASC Document Center. In those situations, the online purchase option will not be available and a paper invoice will be sent to you by the ASC Document Center.

Please contact the Alfred University Office of Communications at 2103 if you have any questions.

### Author Visit: Archer Mayor

Tuesday, Sept. 16 at 7 p.m.  
Nancy Howe Auditorium  
David A. Howe Public Library  
155 N. Main St., Wellsville  
585-593-3410

New York Times Bestselling author Archer Mayor will be coming to the Nancy Howe Auditorium at the David A. Howe Public Library on Tuesday, September 16 at 7pm. Author of the critically acclaimed series of mysteries starring Joe Gunther, Mayor will do a reading from his latest book and discuss his writing process.

Archer Mayor, of Vermont, has had a fascinating career. His work as a detective for the Windham County Sheriff's Office and a death investigator for the office of Vermont's Chief Medical Examiner helped to add weight and knowledge to his realistic novels prompting The New York Times to dub him "the boss man on procedures." He has also served 25 years as a volunteer firefighter and EMT.

Mayor began his writing career with history books including a fascinating look into the oil and lumber business, Southern Timberman which is still in print. He turned his attention to fiction in 1988 with his well-received introduction to Joe Gunther, Open Season.

In total, 24 Joe Gunther mysteries have been published, all of which are available for checkout at the David A. Howe Public Library.

Referred to by the Chicago Tribune as "the best police procedurals being written in America," Mayor's signature series remains popular with readers eagerly awaiting Joe Gunther's return. Books will be available for purchase and signing Tuesday evening.

Mayor's 25th Joe Gunther mystery, "Proof Positive," will be in stores Sept. 30 and you can meet the author in person at the library. The library-sponsored program is free and open to the general public.
