

Herrick Library postcard collection available online

10/27/08

The Alfred University Archives, located at Herrick Memorial Library, has recently made its postcard collection available online at www.toolsofhistory.org. Herrick Library is a member of the South Central Regional Library Council which is making it possible for libraries in the region to digitize archival material and make it publicly available. The content on the site will expand as more libraries add their own collections, allowing researchers and educators to search for images and information that will help highlight and educate people about our area's rich heritage. As time allows, the University Archives will continue to scan material and add it to the site. Additional information on the University's history can be found at the Archives homepage (herrick.alfred.edu/special). Herrick Library is open Mondays-Thursday from 8 a.m.-1 a.m., Fridays from 8 a.m. to 11 p.m., Saturdays from 10 a.m.-11 p.m., and Sundays from noon to 1 a.m. For more information contact Laurie McFadden, librarian and University archivist, at mcfadden@alfred.edu.
