### Process for Ordering Business Cards Has Changed

The process for ordering official Alfred University business cards has changed. The local print shop that has produced most of our business cards, Sun Publishing, is in a transitional phase due to economic changes. Based upon their new business model, they will only do business card orders in batches of 10 or more different names. It is not cost effective for them to do one person's card at a time.

Since orders for AU business cards are typically one or two at a time, we have located an alternative print shop and process to ensure a seamless transition. The Alfred State College Document Center is prepared to handle business card requests through a virtual storefront that has been developed specifically for ordering AU business cards online.

The link to that storefront is:

<https://v2.printsys.net/>

Log on: AlfredUniversity

Password: AlfredUniversity1

There are two templates from which to choose: the first template is indicated for only Admissions and Financial Aid offices because they require specific phone number options; and the second template is designed to accommodate all other offices.

When you double click on your selection, a new window will open that contains a form with fields to enter your information. As the fields are filled, the information will show up on the template at the right so you will see how the business card will look upon completion. Once all the information has been entered, you will proceed to a shopping cart that has options for quantity and payment, using your AU One Card or personal credit card.

In order to maintain the brand identity of the University, a PDF of the card will be emailed to the Office of Communications for review/approval. Once the cards are printed, you will be notified so that you can pick them up at the ASC Document Center, 10 Upper College Drive (607-587-3532). ASC does not deliver at this time. The design and specifications of color and paper are based upon the official AU business card format that is currently in use.

**IMPORTANT:** For situations where a required deviation from the standard format cannot be included within the two template options, you will need to contact Rick McLay at [mclay@alfred.edu](mailto:mclay@alfred.edu) so that a custom design can be created and provided to the ASC Document Center. In those situations, the online purchase option will not be available and a paper invoice will be sent to you by the ASC Document Center.

Please contact the Alfred University Office of Communications at 2103 if you have any questions.

### **Art History Candidate Presentation**

Cupisnique Ceramic Vessels: Emblems of Cultural Identity and Ethnicity in Early Andean Art - a lecture by Yumi Park

Date: Tuesday, Feb. 25  
Time: 5:30 - 6:30 P.M.  
Location: Room C, Binns-Merrill  
Cost to Attend: Free/Open to Public  
Sponsored By: School of Art & Design

During the Initial Horizon Period in the ancient Andes, the Cupisnique area located on the northern coast of Peru was an important and ethnically diverse center of trade. Engravings of head motifs on stirrup-spouted ceramic vessels served to legitimize Cupisnique cultural identity, social authority, and political ideology.

This presentation shows how the engraved head motifs on these vessels can be interpreted as cultural emblems, representing socio-political power at the individual level, and that they can be considered the historical signature of the Cupisnique people.

### **Green tip of the week**

Shop wisely-Plan meals, use shopping lists, buy from bulk bins, and avoid impulse buys. Don't succumb to marketing tricks that lead you to buy more food than you need, particularly for perishable items. Though these may be less expensive per ounce, they can be more expensive overall if much of that food is discarded.

## Alfred Montessori School Spring Art Auction

Alfred Montessori, a little school with a big heart, is planning an art auction for Saturday, April 5, 2014 to help raise funds for a community project.

Artists of local and national acclaim have already committed to donate pieces for the event, which will be held from 10 a.m. until 1 p.m. at the Alfred Village Hall.

One can expect to bid on ceramic, glass, sculptural and functional pieces by artists including Angus Powers, Amy Powers, Betsy Kent, Steve Edwards, Matt Metz, Linda Sikora, Mike Griffin, Kristin Buchholz, Angie To, Sarah Powers, J. Michael Powers, Robin Howard, Pat Edwards, Marcia Lichtman, Randi Fridmann, Katie Greene, and many more.

Tickets will be \$15 each or 2 for \$25, and will be available beginning Friday, Feb. 21. Admission includes brunch appetizers, beverages, and live music for the first hour, with child care available at the Montessori School for a nominal fee.

For more information, to purchase tickets, or make a donation, call Carman Banzaca, Montessori School Director, at 607.587.9334, or visit [www.alfredmontessori.com](http://www.alfredmontessori.com).

Funds raised by the auction will help renovate and improve the Mike Kenyon community playground in Alfred, a cause that will benefit all of the children in the community. Twenty years ago, the community rallied to create the existing playground and the time has come to update the structure. We have consulted the original playground designers for direction as we plan renovations.
