ISSO logo competition!

ISSO (international student & scholar organization) is holding a logo design competition for fundraising.

We need some inspiring ideas on how the ISSO logo should be designed. This competition is open to all students and faculty. There is no restriction on the design, except for the fact that it should be representing the international nature of ISSO. The design should not show any disrespect nor insult to any group of people.

The best designs will be PRIZED!

Please send your design to isso4u@alfred.edu or bring it to the ISSO meeting (which is every Friday 6 p.m., at Alumni Lounge), by the end of February.

Summer School Registration Begins Soon

It's not too early to begin thinking about Summer School! Summer School registration will begin Thursday March 15.

This year's summer schedule includes a variety of popular undergraduate and graduate courses. Some are offered in a short term, focused-study format so you can complete a whole course in just two or three weeks! If this appeals to you, you can plan now to stay for a few extra weeks in May and take a course before you go home for the summer. Or, if you prefer a somewhat more relaxed pace, there are many 6-week courses being offered as well.

A preliminary list of summer courses is attached, but please be aware that additional courses will be added and course changes will be made before Summer School begins. The purpose of this list is just to provide you with early information so you can begin planning your summer. Summer Session I will take place May 14-June 22. The dates for Summer Session II are June 25-Aug. 3.

Summer School Schedule Booklets will be printed soon and will be available in early March at the Student Service Center, the Mail Room, the Office of Summer Programs and other convenient campus locations. Information regarding summer school registration, tuition, housing etc. is available now at <http://www.alfred.edu/sum...>

Currently enrolled AU students must register for Summer School online. Questions concerning Summer School registration should be directed to the Student Service Center (871.2123) or the Office of Summer Programs (871.2612, summerpro@alfred.edu). If you have questions about art courses, please contact Beth Woodworth at 871-2412, whritebr@alfred.edu.
