

## Brian Dodge, Physical Plant director, passes away

8/28/19

Brian Dodge

Brian Dodge, director of Alfred University's Physical Plant, passed away Sunday, Aug. 25, at age 58 following a battle with cancer.

Brian began his career at Alfred University in January 1999, when he was hired as a boiler tender. He progressed through the ranks, becoming senior boiler tender and heating plant supervisor before his August 2011 promotion to director of the Physical Plant.

Survivors include his wife, Tammy, who works for AVI, Alfred University's campus food service provider; brother, Kevin Dodge, facilities leader in the Alfred University Maintenance Department, and his mother, Chrystal Dodge.
