AU Branded Webmail Logon Page

As part of continuing efforts to guard against email phishing attempts, ITS is implementing an AU Branded Webmail Logon Page. The new Webmail logon page will include a custom header with an Alfred University title, as depicted in the attached image.

Please be reminded that AU ITS will never send an email requesting your username and/or password and will never send an email with an embedded "clickable" link.

Report any suspicious emails to the ITS Help Desk at helpdesk@alfred.edu or 607.871.2222.

Thank you,
ITS Network Services

Computer Scam That Asks You to Call a Phone Number

This computer SCAM starts with a pop-up window saying that your computer has been infected and you should call a phone number to fix the problem. This is a SCAM. Once they get you on the phone they will try to remote into your computer. When you allow them remote access, they can put anything on your computer and possibly steal passwords to your bank records and/or charge card purchases.

The pop up may try to automatically reconnect claiming to be "Safeway Technologies" company and connect via the "LogMeIn" program.

If you see this pop-up, please reboot your computer without calling them. Once you reboot the pop-up should go away and not return.

However, If you have called the number and have allowed them to remote in, please take your

computer off the network immediately and call us for further instruction. 607.871.2222.

If this is your personal computer, please call your service provider as soon as possible.

Alfred Community Coalition Survey About off-campus/village safety

If you are a resident of the village or town of Alfred, please consider filling out the Alfred Community Coalition survey about off-campus/village safety. We are also asking AU and ASC students to participate in the survey. The goal is to assess the various perceptions of off-campus/village safety.

Participation in the survey is voluntary. However, your cooperation would be greatly appreciated and

would contribute to our understanding of a very important aspect of life in Alfred.

Once you click on the link, you will be asked to complete the brief web-based survey which seeks information about your experiences.

The survey can also be accessed via the village's website: <http://www.alfredny.org/>

Off-campus Safety Survey

I am writing to request your help with an important survey about off-campus safety. We are committed to ensuring a safe, healthy, and nondiscriminatory environment for our students and your participation in this survey will help us in our work to keep all students safe. The ultimate goal is to assess your perception of off-campus safety and identify ways to improve the safety in the Village of Alfred.

Participation in the survey is voluntary. However, your cooperation would be greatly appreciated and would contribute to our understanding of a very important aspect of student life at Alfred University.

Once you click on the link, you will be asked to complete the brief web-based survey which seeks information about your experience off campus.

Cat Problem- Email Me If You Want to Help Cats!

My name is Lauren Schramm and I am the village coordinator for the trap-neuter-return program. Like many others in the village, I have had trouble with the cat problem in Alfred. I sympathize with the cats and therefore wanted a solution to the problem.

After reading what other locations have done, I came to the conclusion that the most effective method to solve the problem was TNR or trap neuter and release. This has worked well for many other towns, cities, and universities.

A group called Ally Cat Allies specializes in helping towns with the process. Since the village has publicly endorsed TNR as a solution to the Alfred cat problem the group has promised financial assistance.

In order for TNR to be effective the public needs to be involved in two ways:

1. caretakers of cats need to stop feeding cats during the trapping process
2. a list of locations and abundance of cats needs to be created.

Lastly, I plan to trap in the spring and help doing so would be greatly appreciated. If you or anyone you know is interested in helping Alfred's cats please let me know. les5@alfred.edu
