Banner Self Service is more than a place to go for timesheets!

The end of the year means open enrollment; a time to review our benefits and make changes if necessary. But it is also a great time to check on the information Human Resources has stored in Banner for us. Keeping up to date contact information is imperative in case an emergency arises. HR is teaming up with EH&S to strive to get all campus locations, cell phone numbers and emergency contacts up to date.

Banner Self Service is the place to go to not only review our benefits, dependents & beneficiaries, but also our address, phone and emergency contact information.

Some information can be updated right on-line such as dependents, beneficiaries and emergency contacts; addresses and phone numbers necessitate submitting a Personnel Data Form (located on Banner Self Service Address page).

If you have never reviewed your personal or benefit information in Self-Service, please see the PowerPoint or cheat sheet below for assistance. If you have any problems or have any questions, please feel free to contact me @2276 or costello@alfred.edu.
