Attention: Non-Student Employees Currently Using Web Time Entry

As we begin to roll out the Banner functionality of Web Time Entry to our hourly employees, you will see additional codes appear on your BannerWeb timesheets. Under the heading "Earnings" you will see leave benefit codes that regular employees are eligible for. Until now all that was available to you was "Worked" and it was the only code that you could enter time for.

PLEASE NOTE that Banner WILL allow you to enter time using these new codes even if you are not eligible for benefit time. If you are a temporary or part-time employee not eligible for these codes, Banner will process NO PAY for these hours.

Please do not use these codes unless you are eligible to ensure that your paycheck is calculated correctly.

If you have any questions please contact payroll@alfred.edu.

Waste Diversion Programs?

Hello,

For my senior project I am comparing data from a waste audit I did in fall of 2008 and fall of 2010. I am looking to describe any and all programs which could have affected what was put into, or diverted from, the waste stream.

Below are the programs I am aware of. If you know of any others which would affect the waste stream of the University between 2008 and 2010, please e-mail me at kmd4@alfred.edu and let me know.

Thank you!

Compostable materials in dining halls
