MasterCard Help/Training Sessions 1-3 p.m.

Mandatory training is required for all new cardholders as well as new card reviewers (anyone that logs in to reconcile transactions) before a credit card will be given or access to the new MasterCard website.

With the migration to JPMorgan Chase MasterCard in January 2013, including a new website program, we want to offer additional help until everyone feels comfortable with the new program.

We will begin having the help/training sessions on the second Wednesday of each month from 1-3 p.m. The 1-2 p.m. session will be designated for One Card Training for new cardholders; 2-3 p.m. will be designated for Help session. All sessions will be held in the Banner Training room located in Howell Hall beginning Feb. 13, 2013.

To apply for a credit card, an application needs to be completed, including the required signatures. The completed applications should be sent to Office & Procurement Services attention Sue Peck. Once the application is processed the program administrator will receive the card within 7-10 business days. You may have the card training within thirty (30) days of receipt of the card.

We are hoping these extra sessions will be helpful and would appreciate any of your suggestions.

Thank you.

Relay for Life in Need of Help

This is Rick, the president of the Relay for Life committee and we're having lots of trouble with membership to the point that there may not be a relay this year.

To attempt to combat this, we're having meetings Thursdays at 7 p.m. at the SOS suite. Unfortunately, we planned on having pizza, but we couldn't get the funding for it because we have no treasurer at the moment. Please come and help save the Relay for Life club.

Visiting Artist Jessica Eaton

Date: Thursday, Feb. 21
Time: 6 -7 P.M.
Location: Nevins Theater
Cost to Attend: Free
Sponsored By: Division of Drawing, Painting and Photography

Using an experimental, scientific approach to photography, Eaton takes the medium itself as her subject. She deftly constructs a world supported by the camera and conceals her own hand in the process.

In her series, "Cubes for Albers and Lewitt," Eaton employs color theory, painting, photography and optics. By controlling the color of light and using multiple exposures for additive color, she creates images that reference Josef Alber's "Homage to the Square" while furthering the dialog of contemporary photography.

Jessica Eaton (b. 1977) has exhibited nationally and internationally, including solo exhibitions at Higher Pictures in New York and Clint Roenisch in Toronto. She will be included in the Armory Show's 100th Anniversary exhibition this March.

In 2012 she was the winner of the Hyeres International Festival of Fashion and Photography in France. Her work has been featured in FOAM, Art News, Wallpaper and Lay Flat. Eaton received a BFA from Emily Carr in 2006.
