May is Mental Health Awareness Month

Feelings of loss, grief, anxiety, anger, and frustration are common reactions to traumatic events. Coping with trauma and recovering from post-traumatic stress can be a lengthy process. It is important for those affected to know that they are not alone and that it is better to work through emotions rather than hide or ignore them.

May is Mental Health Month and attached is information to help you or a loved one cope with the challenges of our daily lives.

Contemporary Cut-Paper by Mia Pearlman, Kako Ueda, Alta Buden, Natasha Bowdoin and Hong Seon Jang

Date: March 21 - May 17

Location: Cohen Gallery

Alfred, NY - Alfred University's Cohen Gallery is pleased to announce its upcoming exhibition, Pulp, curated by Alexis Grabowski (08'). Pulp is a group exhibition bringing together contemporary artists working with cut, collaged and assembled paper, including Mia Pearlman, Kako Ueda, Natasha Bowdoin, Alta Buden and Hong Seon Jang. These artists, through tedious artistic labor, create intricate and often surreal articulations - ranging from eroded geologic forms and weather systems to elaborate traditional paper-cuts depicting corporeal forms, insects and urban life.

Together, the works in Pulp explore the improbable spectrum of possibilities offered by one of the most common staples of artistic production - to be broken down and transformed anew. The exhibition illuminates the flickering dimensionality and solidity of paper-media and the process of artistic production through deconstruction.

Gallery hours are Tuesdays 10 a.m. - 3 p.m., Wednesdays and Thursdays noon - 5 p.m. For more information please contact stein@alfred.edu stein@alfred.edu >.

Ombudsman Officer at AU

One of Alfred's better-kept secrets is that the University has an Ombudsman Officer, Professor Gary Ostrower!

What does he do? The Ombudsman Officer serves as a mediator and a problem-solver. He promotes conflict resolution. His services are available to all members of our campus community.

"The Ombuds officer plays a neutral role in respect to all disputes, and he will work with the involved parties to try to reach a mutually agreeable solution."

If you need to use his services, please email ostrower@alfred.edu, or call 871.2999.
