### SCW Annual Artist Lecture Series: Joanna Powell and Mark Burns

We invite you to join us Monday, 7/9, at 5:00pm in BMH Room C for the fourth presentation in our Artist Lecture Series for Summer Ceramic Workshops. Mark and Joanna will be discussing their practice, processes, and experiences with ceramic art throughout their careers. Mark Burns is an MFA graduate of the University of Washington. He has taught and exhibited throughout the US. His work is concerned with the bridge between ceramic history and pop culture and how this relationship expresses complex cultural notions of sexuality and identity. Joanna Powell received her MFA from the University of Colorado, Boulder. She has continued her practice as a full time studio artist, lecturer, and national exhibitor. Her work questions the idea of conventional beauty, androgyny, and cultural values.
