Student/Summer Payroll Authorization Form Updated

The Student/Summer Payroll Authorization form used to hire non-work study students has been updated to include the payroll schedule through 2011.

Remember, included on this form is the newly enacted Labor Law Notice mandatory for all new hires. The student employee now signs the acknowledgement and is to also to receive a copy of the PA with the payroll schedule.

The new form is available on our Human Resources Web page or by using the PDF attachment below.

Thank you in advance for destroying any old versions of the form so that the student employee is getting the current payroll schedule as required to comply with New York State Labor Law 195.1.

Please Do Not Park in Academic Alley

Please do not park in academic alley (in front of Seidlin or Powell Campus Center). Daily delivery trucks are in with books, food, and supplies for the start of school and are having trouble backing into the dock due to cars parked in the alley.

Thank you for your help.
