Let's Talk!

Let's Talk is a Counseling Services program designed to provide informal walk-in consultations with counselors at Bartlett Hall, in the Residence Life office suite from 11 A.M.-Noon on Mondays and 1-3 P.M. on Wednesdays.

Let's Talk is considered different from counseling and is not a "clinical" service. We call it "informal consultation" or "consultation and support." There is no paperwork to fill out, no formal intake, no appointment, and no fee. Students are encouraged to drop by and talk about whatever is important to them. They are also allowed to meet anonymously if they prefer. Meetings have no set time length.

Green Tip

Don't take the toiletries from your hotel. They are mainly plastics that will go to the landfill. Instead, fill small bottles with your own shampoo from home. You could even encourage them to source eco-friendly toiletries that use recycled or biodegradable packaging instead.

Thanks for this tip from Nik of Transition Southampton.

Children's Literature Exhibit at Alfred State

A Children's Literature exhibit is on display at the Hinkle Memorial Library Gallery at Alfred State College through Sunday, May 5.

Hinkle Librarian Barbara Greil and Instructional Support Assistant Jenny Hillenbrand organized this exhibit in celebration of National Library Week, April 14-20. Contacting local and regional artists, authors and illustrators, as well as faculty and staff from both Alfred State College and Alfred University, they have brought together a wide variety of work, highlighting the importance of libraries, reading, literature, and learning.

The exhibit includes custom-made American Library Association READ Posters featuring Alfred State College "celebrities" posing with their favorite books, designed and created by Hillenbrand.

Also featured are an extensive collection of ingenious children's pop-up books, on loan from Alfred University professor and artist Anne Currier. Alfred State College faculty member Janice Stafford, who teaches a popular course on children's literature, has lent an original numbered print from the first Harry Potter book; a signed and numbered print by author/illustrator Mo Willem's Caldecott Honor book "Don't Let the Pigeon Drive the Bus"; as well as an original collage by Bryan Collier, an award-winning author and illustrator.

Susan Beckhorn, Suzanne Valentine, and Marsha Hayles, members of RACWI (Rochester Area Children's Writers and Illustrators) have contributed original Illustrations, poetry, books, inspirational objects, and educational materials.

Help us celebrate National Library Week as well as the art and influence of children's literature!

For information on visitor parking and library hours consult the Hinkle Library web page at <http://www.alfredstate.ed...> If you would like to inquire about use of the gallery please email HillenJB@alfredstate.edu.
