### 2018-19 FAFSA Filing Deadline 3/15/2018

IMPORTANT: MARCH 15, 2018 IS THE DEADLINE FOR FILING THE 2018-19 FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA).

If you will be a student at AU for the 2018-19 academic year...

It's FAFSA (Free Application for Federal Student Aid) filing time!

For 2018-19, you don't have to wait until January 1, 2018! The 2018-19 FAFSA became available on October 1, 2017.

You'll need your Federal Student Aid ID (FSA ID) to sign the 2018-19 FAFSA. Go to <https://fsaid.ed.gov> to create an FSA ID (if you do not already have one).

Proceed to <https://fafsa.gov> to get started with the FAFSA filing.

For 2018-19, you will be using 2016 income information. No need to wait until 2017 tax return is filed!

Use the Data Retrieval Tool on the FAFSA to upload the 2016 income directly from the IRS to more quickly complete the form.

The Alfred University FAFSA school code is 002668.

Upon completion of the FAFSA, you will be directed to "Start your state application" if your home state requires it. For NY State residents, this form is called a TAP Application and is required for TAP and other NY State aid.

For New York State Residents only: Be sure the proper Alfred University TAP school code is listed for both the fall and spring semesters.

Alfred's Code is 0020 for programs in the College of Liberal Arts and Sciences, School of Business, College of Professional Studies, and Mechanical, Renewable Energy, and Undecided Engineering.

Use code 0960 for all other Engineering Programs and the School of Art and Design.

For more general information about financial aid at Alfred University, please visit our our web page @ [www.alfred.edu/finaid](http://www.alfred.edu/finaid). Our telephone number is 607-871-2159 and our email address is [financialaid@alfred.edu](mailto:financialaid@alfred.edu).

## Cohen Artistic Promise Prize Exhibitions: Ladia Guerra & Victoria Kue

Ladia Guerra and Victoria Kue

Cohen Artistic Promise Prize Exhibitions  
Friday, February 2 - Friday, March 16, 2018

Ladia Guerra: The Sweat Life

Ladia is fascinated by the artificial world created by contemporary society and is interested in the actions we take to make our lives happier through consumption and social pressure. She observes this by researching American pop culture through social media, television, and personal experience and manipulates her observations through the self. The self acts as a blank canvas to express feelings about her upbringing and her culture.

"The Sweat Life" explores domestic spaces and the way in which we interact in and view them. The artist has created video works conveying the feeling of loneliness, belonging, and the somewhat grotesque nature of private domestic spaces. The videos insight laughter, feelings of unease, and offer a psychological twist on what a domestic space can be through the lens of commercial objects and characters.

[www.ladiaguerra.com](http://www.ladiaguerra.com)

Victoria Kue: what's her face.

Victoria's studio practice stems from her query of autobiography and the investigation of the female narrative within her Hmong-American perspective. Victoria's observations from cultural, bodily and emotional experiences direct her approach to material and representation. Her sculpture, installation, drawings and abstractions evoke conversations about self-identity through patterns, color and language.

"what's her face." pushes back at the familial interrogation of a sexually active Hmong-American woman who negotiates and claims ownership with her identity, body and sexuality. Using the house as the setting to confront self-identity, "what's her face." explores placement, function and language within domestic objects as a way to recognize the discomfort, struggles and paradoxes within sexual relationships.

The 2016 Cohen Artistic Promise Prize recognized two graduating seniors whose work, hunger, sustained growth and ambition marked them out as those who would continue on as artists beyond their academic training. The Prize, which granted the recipients concurrent solo shows at the Cohen 18 months following graduation, was designed to foster the growth begun in school, encourage the continuation of artistic practice and support the drive needed to reach full artistic potential.

### New Paper Time Sheets

\*All Hourly Employees and Supervisors of Hourly Employees\*

Human Resources has revised the paper time sheet to include a position title number which will help us easily identify what position these hours are for. This is especially helpful when an employee has multiple jobs. That number can be found on the employees BannerWeb time sheet, either by the employee or the Supervisor.

We have also included an in-out-in-out section on each day, please be reminded that per NYS law if an employee works over a six hour shift they are required to take a 30 minute unpaid meal break.

There is also a reminder at the bottom of the time sheet that the Supervisor is the one who needs to bring the time sheet back to Human Resources, not the employee.

This change is effective as of 2/16/18, any copies of old paper time sheets that you have should be

discarded. The new work study time sheets are pink and the non-work study are green. Students/Employees should come to Human Resources for a paper time sheet if they need one.

\*\*Please note, this is just for late time sheet submissions if hours are missed being put into BannerWeb. Everyone should still submit their hours on BannerWeb, however, if you miss the submission deadline this is where a paper time sheet will be relevant.\*\*

Any questions, please contact Kayleigh Misner.
