FAQ's

How do I join a team to sign up?

AU Intramurals Sports and Recreation invites all AU students, faculty and staff to participate. You are encouraged to create your own teams with friends, classmates and neighbors. If you are unable to connect with a group you may contact the director of IM Sports and Recreation for assistance in joining another team.

Who can I have on my team?

Current Varsity/JV Athletes. No more than 2 (on the field at the same time) varsity/junior varsity athletes may participate on IM Sports teams in the sport, or associated sport, in which they competed at the intercollegiate level. An athlete that appeared on an intercollegiate roster at any time during the current academic year is considered a varsity/junior varsity athlete. You may have more than 2 on the roster but only 2 can compete at the same time.

Former Varsity/ JV Athletes. Former varsity/junior varsity athletes may participate on IM Sports teams without restriction provided they have not appeared on varsity/junior varsity rosters at any time during the current academic year.

Online Suicide Prevention Training

The Alfred University Wellness Center is pleased to announce that it has received a grant for a limited number of licenses for QPR (Question, Persuade, Refer), gatekeeper training for suicide prevention.

QPR is a relatively simple, common-sense method for identifying and responding to students at risk for suicide. As we are a small institution that prides itself in individualized care for students, they will often come to staff members, faculty, friends, and other community members with personal concerns, which may include thoughts about suicide. Responding appropriately to these students can save someone's life.

Please consider completing this training in the next week or so. It is delivered online and takes about an hour to complete (see below for instructions). Upon completion, you will receive a certificate of completion and links to other suicide prevention resources.

The log in/account creation interface can be found here: <http://www.qprtraining.co...>

Your organizational code is: AUWC

Simply enter the organizational code and click submit. On the next page, the program will ask for name and email address. Once entered, an account will be created for you.

If you have any questions, please do not hesitate to contact me or any of the Counseling Services staff.
