### **Attention all Grad Students and PT Coaches & Administrators**

Please be advised that the NYS Department of Labor is stepping up their efforts to enforce compliance of the Wage and Hour laws, one of which is: "Employers must keep payroll records showing, for each week worked by an employee: 1) the total hours worked each day and 2) the total hours worked each week."

As Alfred University prepares for the changes coming to health care through the Federal Patient Protection and Affordable Care Act (PPACA), we are required to track all hours worked for all our employees for record of compliance.

Based on these NYS and Federal laws, recording your hours worked and submitting your timesheet for approval within the payroll deadlines is mandatory every pay-period you work.

We have set up the Banner timesheet entry to be simple by allowing you to only enter hours worked per day and created automated reminders to assist you in remembering to do this task. Please make sure you do your timesheets as required.

If you have questions or problems with the process, please contact human resources.

### Art History Candidate Presentation

Cupisnique Ceramic Vessels: Emblems of Cultural Identity and Ethnicity in Early Andean Art - a lecture by Yumi Park

Date: Tuesday, Feb. 25

Time: 5:30 - 6:30 P.M.

Location: Room C, Binns-Merrill

Cost to Attend: Free/Open to Public

Sponsored By: School of Art & Design

During the Initial Horizon Period in the ancient Andes, the Cupisnique area located on the northern coast of Peru was an important and ethnically diverse center of trade. Engravings of head motifs on stirrup-spouted ceramic vessels served to legitimize Cupisnique cultural identity, social authority, and political ideology.

This presentation shows how the engraved head motifs on these vessels can be interpreted as cultural emblems, representing socio-political power at the individual level, and that they can be considered the historical signature of the Cupisnique people.

## Green tip of the week

Shop wisely-Plan meals, use shopping lists, buy from bulk bins, and avoid impulse buys. Don't succumb to marketing tricks that lead you to buy more food than you need, particularly for perishable items. Though these may be less expensive per ounce, they can be more expensive overall if much of that food is discarded.

### Alfred Village Playground Renovations!

Alfred Montessori, a little school with a big heart, is planning an art auction for Saturday, April 5, 2014 to help raise funds for a community project. Artists of local and national acclaim have already committed to donate pieces for the event, which will be held from 10 a.m. until 1 p.m. at the Alfred Village Hall.

One can expect to bid on ceramic, glass, sculptural and functional pieces by artists including Angus Powers, Amy Powers, Betsy Kent, Steve Edwards, Matt Metz, Linda Sikora, Mike Griffin, Kristin Buchholz, Angie To, Sarah Powers, J. Michael Powers, Robin Howard, Pat Edwards, Marcia Lichtman, Randi Fridmann, Katie Greene, and many more.

Tickets will be \$15 each or 2 for \$25, and will be available beginning Friday, Feb. 21. Admission includes brunch appetizers, beverages, and live music for the first hour, with child care available at the Montessori School for a nominal fee.

For more information, to purchase tickets, or make a donation, call Carman Banzaca, Montessori School Director, at 607.587.9334, or visit [www.alfredmontessori.com](http://www.alfredmontessori.com).

Funds raised by the auction will help renovate and improve the Mike Kenyon community playground in Alfred, a cause that will benefit all of the children in the community. Twenty years ago, the community rallied to create the existing playground and the time has come to update the structure. We have consulted the original playground designers for direction as we plan renovations.
