### Want to Learn to Talk to People ...?

Ever try to get someone to make a change because you just KNOW it's "for their own good?" Maybe it was a friend in trouble, a colleague with an "attitude", or a family member whose behavior was driving you crazy? Chances are, despite your best intentions, your advice met with a wall of resistance... and probably some slammed doors and hurt feelings!

If so, here's some good news: a technique called Motivational Interviewing, originally developed and proven to help people overcome addictions, can help you help the people you care about without ticking them off! MI teaches you how to build on a person's OWN beliefs and goals to develop their intrinsic motivation to change. No more fighting, no more pleading... and no more slammed doors!

MI is recommended for anyone who works or lives with other human beings. Want to learn more? Join us for an Introduction to Motivational Interviewing on Friday, Feb. 25 from noon to 1 p.m. in Nevins (bring your lunch!).

If you like what you hear (or if you already have some knowledge of MI and want to learn more), stay for Motivational Interviewing Skillbuilding, 1:30-4:30 p.m. in the Kenyon-Allen-Davis room at Powell Campus Center. Our guest presenter is Cheryl Lynn Martin MA, RN, CASAC, a Motivational Interviewing Network Trainer with the Monroe County Office of Mental Health.

Both sessions are free and sponsored by AU Wellness Center Counseling Services. For more information, call 607.871.2300.

### AU Summer Sessions

It's not too early to begin thinking about taking classes here in warm, sunny Alfred this summer!

Summer registration begins Monday, March 14, but the Summer course schedule is viewable now in Banner. Just click on "Class Schedule" and then select Summer 2011.

AU Summer Sessions offer you a great opportunity to concentrate on one course without the burden of a heavy course load. You can complete a full semester course in as little as two or three weeks, take a full-year of the language requirement, get a head start on the fall semester, or make up a course

you failed during the fall or spring.

Please visit the Summer Sessions Website for information about registration, housing, deadlines, tuition, and other details and to view a PDF version of the Summer Schedule Booklet.

Printed copies of the Booklet will be available to be picked up at the Student Service Center in Seidlin, the Mail Room and the Office of Summer Programs in Carnegie in early March. Keep in mind, however, that changes/additions/deletions made to the schedule after it was printed will not be reflected in the Booklet. For the most accurate, up-to-date schedule, please check Banner.

If you have general questions about Summer Sessions and/or non-art summer courses please contact the Office of Summer Programs at 607.871.2612 or via e-mail to [summerpro@alfred.edu](mailto:summerpro@alfred.edu). ## Video Game Dimensia

Do you like video games? Think your good at playing them?

It's one thing to conquer their manufactured interface but what if the video and audio signals transcend recognition? Could your eyes focus on a moving image that pulsates color inverted, bit rate slowed, and scanning in flux while trying to locate your opponent in a game of street fighter?

Then come see a new way of interacting with video games this coming Friday in the School of Art and Designs 4th floor video room. Playable consoles will be SNES, N64, Dreamcast, and PS2. Games will include

Street Figher, Crazy Taxi, F Zero, Star Fox, Chu Chu Rocket, Tekken, Mario Tennis, and many other titles will be displayed.

Come and watch or play. The room will be open to the public. If you are interested in manipulating video and audio signals with the video buffer, MVIP, Doepfer, Sandine processor, or have voltage instruments of your contact Michael Chernoff or Allen Riley through Alfred e-mail.

Please come and enjoy.
