### New VPN Service and Remote Desktop Changes

#### New VPN Service

ITS has a new VPN service, FortiClient, available now that has replaced the SonicWALL VPN. We are happy to say there are now both Mac and Windows versions available, as well as mobile clients in both the Android Play Store and the Apple Store. More information can be found [here](#).

If you have any questions, comments or other feedback, feel free to contact the [ITS Helpdesk](#), x2222.

#### Remote Desktop Changes and Enhanced Information Security

To improve network security, ITS will be implementing some changes to the way that users connect to their workstations over Remote Desktop. Starting August 14th, users will need to first connect to Alfred University's FortiClient VPN service before they will be able to connect to Remote Desktop. Once

the VPN is connected, Remote Desktop connections will work exactly as it did prior to the changes. This easy and quick additional step will significantly improve network security from outside threats.

If you have not yet installed the new FortiClient VPN client, both a Windows and a Mac version are available [here](#). More information on Remote Desktop can be found [here](#).

Please contact the [ITS Helpdesk](#), x2222, for any required assistance.

### "Circle and Square" at the Cohen Gallery through August 4

Circle and Square, a survey of William Underhill's cast bronze, iron, and aluminum sculptures, features pieces dating from 1960 through his current work.

Underhill's work formally explores the vessel and architectural form. Circle and Square highlights sculpture that demonstrates a sophisticated use of geometry. William Underhill is an emeritus faculty member who taught at NYSCC, School of Art and Design at Alfred University, from 1969 to 1997. During this time he taught sculpture and established the first bronze foundry. Underhill's contributions helped to significantly expand the Division of Sculpture/ Dimensional Studies.

Gallery Summer Hours are 12:00 p.m. - 5:00 p.m., Wednesday - Sunday
