Arson 26th June 2nd Think Brad
can enter and we may settle that
I had yet cut a pathway and send
it all down the grass this we never
have to you another year can any
other way that you could put on
so pointed by and make a pa
and save a log and not cross
on not land what yield pros
the cattle any on the and pull
the grass or it will be a great pa-
a you & the cattle does not run on
it the swing you can put it
and early and get a convenient
either or from it and for us
here and not am put in on
so the days down to wells and
the good here is to be walls all
ready and on the seven is your
Sir with
we mean all I mean we as
and you and not in and to all

I am caught me an Indiana
for and in lot of a prompt Mayor
and I only was such a man to pass
Mount and we can make our stay
our dry weather in and weather
a week I still going on sir to see
we all made any may get to it
right it and I hope that may can
it me to advantage as there
are and I pray that we are up
I give my respects to all inquiring
friends my love to you and
children with as sure as you
get this
