Spring 2007 Employee Phone List

As promised in the fall, since we are still not at the point of being able to print a hard copy directory from Banner, we are updating the employee phone list more frequently for you.

The updated spring semester list is now available on the HR Web site at the link below. You may locate it on the web, add it to your favorites, create a short-cut on your desktop or print a hard copy, whichever works best for you.

Remember the phone list has been updated based on information pulled from Banner. Should your phone information not be correct, please use the Personnel Data Form to change your information and forward it to Human Resources for correction.

We are looking for artwork that examines how people change us and make us stronger. Artwork must be submitted to the Women's Leadership Center by Thursday, March 1. For existing artwork or proposals for artwork that reflects the theme, please contact me (por favor) before Thursday, Feb. 8.
