Student Employees Not Returning in Fall

Student employees not returning in the Fall, should confirm with the Registrar's Office in Seidlin Hall that a valid mailing address is on file before leaving campus. This address will be used to mail Payroll issued 2008 W2 forms next year.

Also, if you have payroll direct deposit and will be closing your bank account, you need to notify Payroll before you close the account. You can either complete a Cancellation of Direct Deposit form or

e-mail "Payroll." Failure to do so can result in your bank rejecting the deposit and a delay in receiving your net pay and/or student refund.

Open Position on Campus

The VISTA (Volunteer In Service To America) member will serve as Alfred University's Service Learning Coordinator connecting Academic Affairs and Student Affairs to create and promote programming that links community service to curricular learning objectives.

The position will build relations with community agencies and connect needs of the community to academic coursework that relates to these needs. A major component of this project will be assisting the students living in the Horowitz Center for Service Learning in determining a service learning group project for the year and work with a faculty liaison to facilitate that project.

The VISTA volunteer will also establish the Service Learning Center as a gathering place for service-learning related activities and events for the campus community, not just for the house residents.

Ideally, the coordinator will help us identify and apply for sources of funding to grow the program. This is the first year of our program, so the VISTA volunteer will gain experience from the ground up. The VISTA volunteer will maintain office hours in the Career Development Center under the supervision of the Coordinator of Internships and Co-ops. Extensive student and faculty/staff outreach and collaboration are expected.

This position requires that the coordinator live in the Service Learning House with the college students. A campus meal plan, parking pass and fitness center membership are all included.

For more information and to apply, please visit www.nyccvista.org. You may also contact the Career Development Center at 871-2164 or e-mail Jill Ninos at ninos@alfred.edu for more information.

Pet Pals are Asking You for Urgent Help

Pet Pals has received a letter from the Abbe-Freeland Wildlife Sanctuary which is located in Angelica, NY. The sanctuary is in urgent need of financial donations to support medical expenses and housing costs of local wildlife, particularly beaver rehabilitation.

The little yearling beavers are coming in and they now have 25 beavers, injured and orphaned, to care for in addition to about 100 other animals that people have abandoned at the sanctuary. This is the ONLY center in New York State able to take beavers so they do not feel they can turn them away. They desperately need financial help to be able to keep their doors open.

In the past, Pet Pals has raised over \$300 for this very worthy organization and we would like to help again. We are asking if anyone has any change or bills that they are willing to give, we will see that it all gets donated to the sanctuary. There will be a collection box in the Center for Student Involvement Office in the Powell Campus Center until Friday, May 9.

Thank you for your generosity.

Wireless Has Been Expanded Across Campus!

ITS is happy to announce that the wireless expansion project has been completed. You should now be able to Surf the Web, IM, and e-mail from any campus building.

If you encounter wireless "dead-spots" we would like to hear about them so that we can correct any remaining problems.

We also want to thank you for your patience and good will as we have worked together on this important project. Please consider clicking on the link below and answering a brief 3-question survey. Link: [Wireless Access Survey](#)
