More Education Courses Added to Summer School Schedule

Three Education courses have been added to the Summer Session I schedule. They are:

EDUC 488 DL - Current Teaching Methods: Middle Childhood Subjects (CRN: 30254)

EDUC 489 DL - Current Teaching Methods: Adolescent Subjects (CRN: 30256)

EDUC 500 DL - Special Topics: Methods of Teaching Literacy in the Middle Childhood Classroom (CRN: 30257)

These are all offered in an online "hybrid" format. This means the courses are primarily online, but have some required on-campus class meeting dates.

Although the "official" start date is May 17, students can continue to register for these three classes through Monday, May 24. Students will, however, have to use a paper registration form and bring it to the Student Service Center. (See registration form, attached.)

Gallery hours each day, except Sunday, June 13, will be 11 am. -6 p.m.

An opening reception will be held from 6-9 p.m. Wednesday, June 9.

Our BFA graduates who will be exhibiting are: Laura Bettina, Allison Craver, Alexander Contino, Katherine Coughlin, Maxwell Davis, Amanda Fazzino, Olivia Getkowski Arthur Guilford, Elizabeth Helfer, Anne Mills, Sarah Nikitopoulos, James Pastore, Amelia Patsy, Sondra Perry, Steven Randall, Sarah Roberts, Jonathan Sudler, Kaye Waltman, Alex Williams, and Thomas Wulf.

I want to express my sincere appreciation to the faculty of the School of Art & Design for helping us to make the difficult decisions about the work to be included in Profile 2010. As the name implies, we intend the show to be a sampling of some of the fine work done by all our graduates this year. Our selections reflect the range of art practice within the School, and were selected to be representative of the quality our students produce.

I want to thank the exhibitors for allowing us to show their work in New York City, and I again want to express my sincerest appreciation to Michele and Marty Cohen for their generous support that allows us to showcase the work of our graduates to a broader audience.

-- Dr. Mary Drach McInnes, interim dean, School of Art & Design

Lecture: America's National Treasure - Our National Parks

Speaker: Craig Braack, Allegany County Historian

Tuesday, May 25 at 7 p.m.

Nancy Howe Auditorium at the David A. Howe Public Library, 155 N. Main St., Wellsville

Craig will present an illustrated "arm-chair" tour of about 10 of our national parks from A to Z (Acadia in Maine to Zion in Utah). Our national parks have been referred to as "America's greatest idea." As people start to think about summer travel, this program will give them an idea of places to visit - either as a vacation or as a virtual tour. As a bonus, Craig will also offer travel tips and basic photography ideas.

This library-sponsored program is free and open to everyone.

You Can Assist a Colleague

Andy Eldridge (custodian in the College of Ceramics) and his family lost everything May 10 when a fire destroyed their home in Hornell. While the house was insured, often with this type of loss insurance doesn't go far enough. Colleagues in the Ceramics Physical Plant are currently accepting clothing and household goods donations.

Household items of any kind, including non-perishable food products, may be dropped off at Scholes Library or the Ceramics College Support Services Building.

Clothing in the following sizes would be appreciated:
Male: 4x shirts, 44x32 pants
Female: 3X shirts, Size 26 pants
Young males: XL shirts and sweatshirts

These items may also be dropped off at the Ceramics Physical Plant, Support Services Building.

Also, donations may be made to the Eldridge Fire Relief Fund, c/o Steuben Trust Company (or send cash or checks to Beth Cartella for delivery to the bank.

For more information, contact Beth Cartella at cartella@alfred.edu, or Exts. 2460/2196
