Financial Aid Application deadline 3/15/2007

APPLICATION DEADLINE: THURSDAY, MARCH 15, 2007

To apply for University need-based aid, students must complete both the Alfred University Financial Aid Application (AU AP) and Free Application for Federal Student Aid (FAFSA) by this date.

To apply for University awarded federal need-based aid only (Perkins Loan, SEOG, and College Work-Study), students must complete a FAFSA by this date.

Because need-based aid is limited, late applicants should expect to receive reduced funding. AU APs

received at the Student Financial Aid Office and FAFSAs received by the federal processor after March 15, 2007 will be considered late.

Special note regarding Federal Work-Study: Students who do not meet the application deadline or have not completed the verification process by May 31, 2007 will not receive a Federal College Work-Study award.

The AU Financial Aid Application and filing instructions for the 2007-08 academic year were placed in your Powell Campus mailbox prior to the December semester break. If you did not receive an application packet or have misplaced it, please pick one up at the Financial Aid Office. The Financial Aid Office is open 8:30 a.m. to 4:30 p.m., Monday through Friday.

PLEASE NOTE:

If you had an expected graduation date for May 2007, a financial aid application was not placed in your mailbox. If you plan to return to AU for the 2007-08 academic year and did not receive an application packet, please pick one up at the Financial Aid Office.

Washington Semester Program, Fall 2007

Dr. Heineman of the Social Sciences Division is now taking applications for the Washington Semester Program for Fall 2007.

The Washington Semester Program is sponsored by American University and enables students to spend a semester in Washington, D.C., studying public policy in a variety of areas. Students who have participated in the program have used their experience and contacts to obtain excellent positions in Washington and elsewhere.

In addition to taking coursework, students will meet with government officials and political leaders in seminar sessions and will participate in an internship of their choosing. In addition to its major focus on American national government, the program also has a number of options utilizing non-governmental resources in the Washington area, including working with interest groups and art and cultural institutions. Some of these are: journalism, law enforcement, public law, economics, international business, international organizations, and women and politics.

Course credits and grades are fully transferable to the student's transcript. Students can obtain additional information on the program at www.washingtonsemester.com. Juniors or seniors are eligible to participate, and scholarships are available. In the past few semesters, Brandon Gustafson, Racheal Teall, and Timothy Hulley have attended the program. Those interested should contact Dr. Heineman in room 209 of the Olin Building. Applications should be completed by April 5, 2000.
