NY-Alert Survey - Please Respond

Dear students, faculty and staff,

On the Tuesday before you left for break, we conducted a test of our NY-Alert emergency notification system. Please take a minute to fill out this very short survey to let us know if you received the alerts.

Please note: All full-time students had to register at least their AU e-mail; sign-up was optional for all others. You may have opted to also sign up for text, voice mail and fax alerts.

If you were part of a test group that already responded, there is no need for you to respond now.

The survey will be live until Friday at midnight. Thank you for helping as we fine-tune the emergency response communication system at AU.
