## Tennis camp deadline extended to Aug. 4

The deadline for a tennis skills camp to be held on campus Aug. 7-11 has been extended to Friday, Aug. 4. This program, for boys and girls entering grades 7-12, will provide training at the beginner through advanced levels.

Camp sessions, taught by Dave Brady, Alfred-Almond tennis coach, will be held Monday through Friday, from 4-6:30 p.m. each day. The cost for children or grandchildren of AU employees is \$120.

This is a great opportunity for kids to have fun as they improve their stroke technique, footwork, and court strategy.

To enroll campers in this program, please complete the attached form and send it along with your payment, to the Office of Summer Programs.

## Foster Lake swimming suspended temporarily

Alfred University takes great pride in monitoring to assure the safest environment for all our students, staff, and visitors. To comply with standards set by the Allegany Department of Health and the NYS Department of Environmental Conservation, AU is required to conduct weekly tests for water quality in swimming areas that are open to the public, such as Foster Lake. In an effort to ensure safety at Foster Lake, we unfortunately have to prohibit swimming in the lake until further notice. Recently, the water quality has not met the requirements necessary for safe swimming. We will continue to test the water weekly.

As an accommodation to those who have purchased an access pass, we are opening the McLane Center pool. We hope it will create a swimming option for these very warm days ahead. We regret this situation and are working diligently to make sure Foster Lake remains a safe and enjoyable place. Camping, picnicking, hiking, and boating at Foster Lake are still possible. Thank you for your patience and understanding.

The McLane Center Pool will be open for Foster Lake Access Pass Holders according to the following schedule. Please be sure to present your access pass to the lifeguard when signing in.
