What's the point of Gen Ed courses?

### S.A.V.E. Workshop

In order to meet NYS Education Department requirements for certification, all education major and minor students must complete a Safe Schools Against Violence In Education (SAVE) Workshop.

The Division of Education will offer this workshop as follows:

Safe Schools Against Violence in Education (SAVE) Workshop:

Sept. 29 & Oct. 1, 2014

11:20 a.m.-12:35 p.m. - 336 Myers Hall

(must attend both days to complete workshop).

Please note: These are the only dates the workshop will be offered this semester. If you are an education major or minor student who is graduating in December and haven't completed this workshop - please attend. The Division of Education cannot recommend you for certification until you complete this workshop.

### Is Your Information Correct for the Directory?

It is time to make sure information is correct for the publication of the 2014-15 AU Faculty/Staff Directory. To check your business phone and office location, use the Outlook Global Address list to verify your information. This data is pulled directly from Banner and is the same information used for the Directory and Employee Phone List.

Corrections to your personal office information can be requested by using the Personnel Data Form below and forwarding it to Human Resources.

The numbers for emergencies, department phones, and fax are not housed in Banner.

Please review the attachments to make sure the numbers are correct for your area. Changes to department information can be emailed to [costello@alfred.edu](mailto:costello@alfred.edu).

PLEASE MAKE SURE YOUR INFORMATION IS CORRECT SO THAT OUR DIRECTORY IS ACCURATE!

### **Special Program for CLAS Students - Sunday Sept. 28th**

What's the point of your Gen Ed courses?

If you have ever wondered what a Gen Ed course will do for you, don't miss AU Alumni Connections on Sunday, September 28th. Four recent AU grads will speak at two events, each followed by a reception with delicious snacks. These dynamic AU alums will talk about how their liberal arts educations have helped them in surprising ways in their careers, including their transitions from AU to their first jobs.

Sophomores, Juniors, and Seniors, the Alumni Connections Round Table, 2 p.m. in the Knight Club, is designed especially for you.

First-year students, the Alumni Connections Panel, 7 p.m. in Nevins, is designed especially for you.

If you are unable to attend the event designed for your class standing, you are welcome to attend the other one.

## LGBTQ+ No Dumb Questions Panel

Spectrum will be hosting its annual No Dumb Questions Panel on Tuesday, Sept. 30 from Noon - 1 p.m. in Nevins Theater to kick off LGBT History Month.

The panel will include students and/or faculty who identify as Lesbian, Gay, Bisexual, or Transgender.

Each panelist will speak briefly about their experiences and answer some pre-determined questions. Afterwards, the floor will be opened to anyone wanting to ask the panel or a specific panelist a question.

This is an opportunity for individuals to learn and feel comfortable asking questions of open members of our LGBT community.

### **Allen Term Skiing in France**

Science in Chamonix is a short-term study abroad class looking at science in an Alpine environment. Chamonix, France is home to Mt. Blanc, the tallest mountain in Western Europe, and the site of the very first winter Olympics in 1928.

We will use snowboarding (or skiing) to illustrate the principles of physics, using our bodies as the objects moving through trajectories, undergoing acceleration or experiencing forces. We will examine glaciers up close, and the environmental issues associated with glaciers. We will look at the physical and safety aspects of avalanches.

### **Business-related Allen Term Classes**

MGMT 300 Topics: US Healthcare Business and Policy

The U.S. health care system operates in an intense, dynamic, and complex environment. As never before, all healthcare consumers - which is all of us - should understand the key components of this system, including its environment and emerging trends. This course covers an overview of the health care system, components of the system (public, private, regulatory, and health care professionals), how we pay for health care, how health care is delivered, health care from the consumer's perspective, and emerging health care issues in the 21st century. Students analyze the impact of events and political decisions on the health care system from both a provider and a consumer point of view.

Prerequisite: junior or senior standing.

#### MBA 600 Topics: US Healthcare Business and Policy
