Peer Review Board Recruitment

We are currently recruiting students to serve on our Peer Review and University Conduct boards. Our system is designed to hold students accountable for the Student Code of Conduct, change problematic behavior through a structured educational process, and protect the University community. The conduct system enables the campus community to take an active role in the hearing process.

Board members need to possess strong interpersonal and communication skills, sound judgment, personal integrity, and demonstrate respect for others.

Hearings are scheduled on an as-needed basis.
Serving on a board depends on your schedule and availability.

If you are interested, please contact studentconduct@alfred.edu or x2132 and information about our next training will be provided.

Art History Club Present Robert Reginio

Robert Reginio - Inscrutable Activities
Thinking About Samuel Beckett And Conceptual Art

Location: Binns Merrill Hall, Room 106 - C
Date: Thursday, Sept. 25
Time: 6:30 P.M.
Cost to Attend: Free
Sponsored By: The Art History Club

Robert Reginio will be reading Beckett's late work for the theater in the context of the American Conceptual Art of the 1960s and '70s, particularly that of Sol LeWitt.

Specifically, he will argue that inscrutability - antithetical to the rhetoric of logical clarity and transparency typically associated with minimalism in art and in the theater - resides at the core of Beckett and LeWitt's art.

A Matter of Balance Program

Have you turned down a chance to go out with family or friends because you were concerned about falling? Do you have a fear of falling? If so, A Matter of Balance: Managing Concerns About Falls is a program for you.

Fear of falling can be just as dangerous as falling itself. People who develop this fear often limit their activities, which can result in severe physical weakness, making the risk of falling even greater. Many older adults also experience increased isolation and depression when they limit their interactions with family and friends. A Matter of Balance can help people improve their quality of life and remain independent.

A Matter of Balance is designed to reduce the fear of falling and increase activity levels among older adults. Participants learn to set realistic goals to increase activity, change their environment to reduce fall risk factors, and learn simple exercises to increase strength and balance.

The Allegany/Western Steuben Rural Health Network, Inc. in conjunction with the Allegany County Fall Prevention Collaborative is offering the course A Matter of Balance: Managing Concerns About Falls Thursdays and Mondays, throughout the months of October and November 2014, starting Thursday, Oct. 16 and ending Monday, Nov. 10. The class is scheduled 2-4 p.m. at the Union University Church, Alfred. Each class will build upon the previous week making it extremely important to attend all sessions.

The registration fee is \$10. Scholarships are available upon request. A workbook is provided and refreshments are served.

Pre-registration is required by contacting Melissa Biddle, Community Health Program Manager at the Allegany/Western Steuben Rural Health Network, Inc. at 585.593.5223 ext. 15, by Friday, Oct. 10, 2014. Space is limited so don't hesitate to register today.

The class agenda is as follows:

Thursday, Oct. 16 Introduction to the Program

Monday, Oct. 20 Exploring Thoughts and Concerns About Falling

Thursday, Oct. 23 Exercise and Fall Prevention

Monday, Oct. 27 Assertiveness and Fall Prevention

Thursday, Oct. 30 Managing Concerns About Falling
