Volunteers needed for Emergency Response Team

The AU Emergency Response Team is currently in search of more volunteers. The AU ERT assists in responding to emergencies such as fires, natural disasters, power outages, and chemical spills. If you have previous experience or training in any type of emergency response or are interested in receiving emergency training, Environmental Health and Safety would like to invite you to become part of the Alfred University Emergency Response Team.

We are seeking volunteers; if you desire to lend a hand when emergency situations arise in the University neighborhood, please contact Cherise Haase X 2190 or e-mail haasec@alfred.edu.
