Art Union meeting: Timber framing workshop!

The next meeting is this Wednesday, Sept. 26 in Harder Hall at the Moka Joka (2nd floor) at 9:30 p.m.

We are looking for students interested in learning traditional timber framing techniques which are used to build structures solely out of wood, using pegs as the system of construction instead of metal brackets. This is a wonderful opportunity for anyone who would like to build! It is a free workshop and all we would need is one or two weekends towards the end of October or the beginning of November. Come to the meeting to learn more!
