Be Alert! Keep Your Property Safe.

Traditionally, there has been an increase in thefts the week before Winter Break on the Alfred University campus. Below you will find some tips to help you keep your property safe.

When you are in the library, residence halls, academic buildings, dining halls, or simply parking your car, keep your wallet, cell phone, and laptop with you. This is the prime time for this type of property to be stolen.

- * Buy a laptop security cable and use it.
- * Always close and lock your residence door even if you leave for just a minute. Insist your roommate(s) do the same.
- * Establish rules with your roommate(s) regarding visitors (above and beyond Alfred University guest policies).

* Make sure your car is locked when unattended.

If you witness any suspicious activity, report it to the Office of Public Safety immediately by calling 607-871-2108 or 911.

AU One Card System Upgrade

JPMorgan Chase is eliminating support for the Visa PaymentNet system and is assisting us with our migration to their Commercial Card Classic Master Card program. This program has enhanced capabilities that will improve our One Card program.

A pilot department has been established to begin using the new Master Card. More information will be forthcoming and training will begin in December, with a roll out of the program in January 2013.

Fill the Van!

Many of Alfred University's downstate education students are working in schools that were directly affected by Superstorm Sandy. We ask for your donation of any school supplies (notebooks, pens, pencils, crayons, markers) to send to New York City to help with the relief effort.

Donation boxes will be placed in buildings around campus.

If we can raise enough supplies, Alfred University will send an entire van-load to students and teachers in need!

The boxes will be picked up on Dec. 4.

Introducing Summon: A New Way to Search the Libraries

The libraries are excited to announce the upcoming launch of Summon!

Summon is a powerful, yet simple, tool for searching the libraries' print and electronic collections.

Search Herrick and Scholes at the same time, including books, journal articles, reference sources, movies, music, archival material, and more.

Summon works like other Web search engines: put your search terms in and refine from there. Narrow your search (limit to books, for example) or expand your search (add in results from other libraries).

We will officially launch Summon at the start of the spring semester, but we couldn't wait to share the good news!

While we put some finishing touches on it, we invite you to try it out and [share your feedback](#).

Genetically Engineered Food Crops Survey (Ending soon)

I am asking for your voluntary participation in my Environmental Studies senior research project titled "The Effect of Knowledge upon the Attitudes of Individuals Regarding Production of Genetically Engineered Food Crops and Related United States Policy - A Survey of Two College Communities."

In accordance with Alfred University's policy on human subject research, this survey is voluntary. Participant names, though recorded for distribution of participation prizes, will not be used in the presentation or write up of the findings. There will be two respondent prize drawings, the first for five, \$20 gift certificates to a local restaurant of the respondent's choosing for the first respondents; and one for 15, \$10 gift certificates to a local restaurant of the respondent's choosing for randomly selected respondents, not in the first five.

Please click on either the link titled Survey to go to the survey or the URL provided in the message. It should take about fifteen minutes to complete the survey.

The Survey URL is <https://docs.google.com/s...>
